REPORT ON NEW FRUITS.

The secretary read a report of New Fruits which had been received by him during the past two seasons as follows:

I think it is very important that a careful record be kept by this association of all new fruits that are originated in Ontario, and so soon as any one is found to possess sufficient merit to deserve a place among our older varieties, that some steps be taken to encourage its propagation for the general good. I would be in favor of the appointment
