## SIX GUILTY AND WERE FINED \$110

### HEAVY FINES IMPOSED IN ASSAULT CASES ARISING OUT OF HOCKEY MATCH BETWEEN INGERSOLL AND LONDON JUNIORS

From Tuesday's Daily. The disturbance which occurred on Thames Street last Thursday night after the London-Ingersoll junior hockey game in which "Paddy" Ryan, of London was injured, and was removed to the hospital, where he spent the remainder of the night, was thoroughly investigated in the police court yesterday afternoon when several local young men appeared to answer charges of assault, as did also Ryan and a companion by the name of Frank Cowan.

Fines Total \$110.00.

The hearing of the cases was commenced at two o'clock and was not concluded until six. During the four hours that evidence was being heard the Magistrate listened to some contradictory statements as to what had actually transpired and as to who was really the cause of the seriousness of the melee. The evidence of the Londoners as to the cause of the difficulty was a statement by one or more of them in the Olympic restaurant, that they would bet "ten-to-five" that London intermediates would defeat Paris in the sudden-death game here. Other evidence was given to the effect that Ryan had stated he "could lick any one in the place," which it was said had precipitated the trouble.

In disposing of the cases the Magistrate fined six of the parties implicated, the fines alone aggregating the unusually large sum of \$110. Those fined were: Frank Cowan and George Murray, who previously went by the name of Patrick Ryan, both of London, \$20 and costs each; T. Laondart, J. Bridson, W. D. Burke, \$20 and costs each, and Wm. Griffin \$10 and costs. Five other local young men against whom charges were laid, were found not to have been connected with the affair.

Crown Attorney R. N. Ball, Woodstock, prosecuted and the court room was crowded during the hearing of the cases.

## SUDDEN CALL TO MR. E. L. SMITH

PROPRIETOR OF THE TRIBUNE DIED SUDDENLY AT AN EARLY HOUR THIS MORNING OF HEMORRHAGE OF THE BRAIN.

From Friday's Daily. Hemorrhage of the brain caused the death of one o'clock this morning at his home, Hall street, of Mr. E. L. Smith, proprietor of The Oxford Tribune. Mr. Smith passed away very shortly after being stricken, his death being so sudden that the announcement came as a shock to the entire community.

Yesterday Mr. Smith had been at his office as usual, and in the evening he was down town. Although he had suffered from a severe cold for some time, he manifested no symptoms whatever of the approaching end.

Shortly before one o'clock Mrs. Smith was alarmed by the evident illness of her husband. When spoken to he complained of a pain at the back of his head. A physician was at once summoned but Mr. Smith had passed away before he arrived.

The deceased had conducted The Tribune for about seven years. Previous to that time he was associated with The Chronicle for over twenty-five years, having charge of the mechanical department. By reason of this long connection with newspaper work he was known to practically every one in the town. He was also a member of several fraternal societies and did much earnest work on their behalf. He possessed a genial disposition and readily made and retained friends.

He was in his 56th year and leaves a widow and two sons, Clarence, of St. Catharines, Ont., Russell, at home, and one daughter, Mrs. Fields, of Saskatoon.

### PLEASED WITH THE ARENA

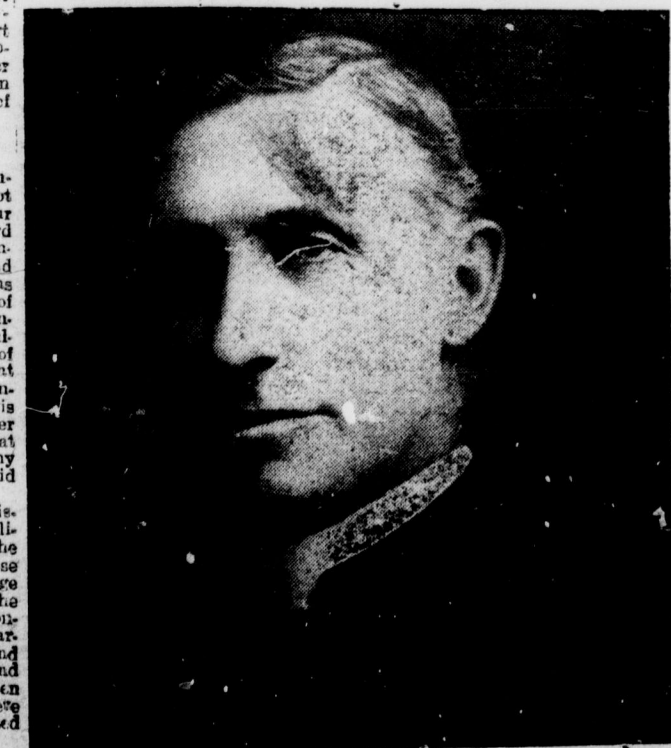

London Players and Spectators Will be Willing to Come Again

From Saturday's Daily. London intermediates and many of the spectators from the Forest City who made their first visit to the Arena last night were very favorably impressed with it. Numbers of them were so surprised with the size of the building and the splendid accommodation it affords, that they were heard to remark that it was undoubtedly one of the finest rinks in Western Ontario. The speedy London team found the rink well suited to their style of play, and it is safe to predict that they will be very willing to come here again.

## THE CURLERS HAVE ENJOYABLE TIME

TEN RINKS PLAY IN ANNUAL PRESIDENT-VICE PRESIDENT GAME—A SOCIAL PERIOD.

From Saturday's Daily.

The snappy cold weather of the last week has made the curlers both happy and busy. Last evening the annual match between ten rinks divided evenly between the President and Vice-President of the Club, battled on a sheet of keen and perfect ice with the result as given below.

After the game a supper was served in the club rooms in honor of our late townsman, Mr. W. H. Jones, who is visiting here for a few days. The toast to Mr. Jones' health was proposed by the president of the Club and after singing "For He's a Jolly Good Fellow," Mr. Jones in a happy mood responded, thanking the Club and promising to come again.

Short speeches were made by a dozen members of the Club and the gathering broke up about mid-night after singing "Auld Lang Syne." A noticeable feature of the Ingersoll Club is the perfect harmony and good fellowship that exists among the members.

## LONDON WON THE DECIDING GAME

PUT PARIS OUT OF THE RUNNING AT ARENA LAST NIGHT BY A SCORE OF 8 TO 3.

From Saturday's Daily.

London intermediates defeated Paris for the district championship before two thousand wildly excited spectators at the Mason Arena last night. The contest was replete with thrills, but despite the aggressive style of play was kept under perfect control by referee Beulah Davidson, of Toronto.

### The First Half.

In the opening period the teams were very evenly matched, London having only a margin of one goal at the half-way stage. The score then was 2 to 1. From the moment the puck was dropped the teams started at a terrific clip, which was seldom slackened during the struggle, and the hockey lovers of Ingersoll, who turned out, witnessed some magnificent work. Paris relied mainly on their close checking, and occasional individual rushes, while London was strong in every department of the game. Individually they are probably the fastest bunch of skaters in Western Ontario hockey, and they have developed a combination that is a complete puzzle.

### The Second Half.

From their showing in the first half Paris was picked by many to win the game, but their chances soon faded. On resuming play, London notched their third goal, and kept up the scoring until they had a tally of seven to the Paris one. Realizing that they were being outclassed, Paris came to life and were successful in notching two goals by some clever work, while London added another to their list, making the final score 8 to 3. Both Wardrope and Fraser did phenomenal work in goal. In the first half Paris had many more shots than London, but Wardrope kept them out of the nets. In the last half Fraser made many fine stops, one of which was to skate out and break up a rush, when he alone protected the nets.

Every player of the London team is a star. Borland and Gillies were very effective last night, but while they stood out conspicuously, so did all their team-mates and they look like serious contenders for the championship. The teams:

Paris.	London
Fraser, goal	Wardrope
W. Peebles, point	Thompson
Thompson, cover	Borland
P. Gill, rover	McAvoy
G. Gill, centre	Reid
Maxwell, right	Walden
A. Peebles, left	Gillies
Referee—Beulah Davidson, Toronto.	
Timekeepers—Barton, Paris; V. Smith, London.	
Penalty timekeepers—McCall, London; Sinclair, Paris.	
Goal umpires—J. Bailey, London; R. Axton, Paris.	
Penalties: London, 7 minutes; Gillies 4; McAvoy 1; Reid 1; Walden 1; Paris 12; W. Peebles 3; G. Gill 3; Thompson 2; A. Peebles 2; P. Gill 2.	
The goals were scored as follows:	
London—McAvoy, 6 minutes.	
London—Reid, 6 minutes.	
Paris—G. Gill, 4 minutes.	

Second Half. London—Gillies, 3 minutes. London—Borland, 6 minutes. London—Reid, 30 seconds. London—Reid, 3 minutes. London—Borland, 30 seconds. Paris—Maxwell, 1 minute. Paris—P. Gill, 1 minute. London—Borland, 4 minutes. There were several hundred spectators from London who made the trip by special train.

Dear Mr. Strong: Knowing that you are soon to leave us, we take this opportunity of expressing to you in some tangible way our appreciation of your services in the choir, and otherwise, while you have been with us. You have been a faithful member of the Ingersoll Methodist choir, and if for no other reason we shall miss you.

We ask you to accept from a few of your friends of the choir and congregation this chain and locket, not for their intrinsic value, but in the hope that its links may bind you closer to dear old Ingersoll, and that it may oft remind you of those who wish you every success in your new field of labor.
