she attended to her morning duties, and she little imagined that she was entering the darkest hour of heife, and that before the clock struck again overwhelming disaster would have fallen upon her. Her young husbend was working in the gardep as was his habit each morning before going to his office. She expected him in every moment to make ready for his departure down town. She heard the click of the front gate and a moment ter some angry words. Alarmed, e was about to look through the ted curtains of the bay window yor, when the sharp crack of the click of the form the gate and a moment ter some angry words. Alarmed, e was about to look through the ted curtains of the bay window yor, when the sharp crack of the control of the Readon and the click of the front gate and a moment ter some angry words. Alarmed, e was about to look through the ted curtains of the bay window yor, when the sharp crack of the control of the sharp crack of the wall in the control of the sharp crack of the wall in the control of the sharp crack of the control of the sharp crack of the wall in the control of the sharp crack of the week out Radnor will escape the gallows. If Forder were to live the sharp crack of the control of the sharp crack of the whole which had before the doctors, but then and the busine of the hours of 12 non the control of the nurse which had before and the time of the doctors, but then and the busine of the doctors, but the millow her husband was smothered.

Mrs. Forder called for the nurse which had begreed was only what they had all expected.

Where Forder lives, who was well that startled her. That is the house, "said a voice, "That is the house," said a voice, "That is the h on the front gate and a moment later some angry words. Alarmed, she was about to look through the parted curtains of the bay window in front, when the sharp crack of a revolver rang out, and she hastened to the door with a vague, sinking fear at her heart. As she flung open the door she saw two things—first, her husband lying face downwards on the grass, motionless, his left hand doubled under him; second, a man trying frantically to undo the fastening of the front.

In the week of the language anxious enough all along."

"True. But still if Forder lives the week out Radnor will escape the gallows. If Forder were to die this week it would be rather fough on the murderer, for his case would come up before Judge Brent, who is known all over the State as a hanging judge. He has no patience with crimes growing out of politics, and he is certain to charge dead against Radnor, and carry the jury with him. I tell you that the man in jail will be the most joyous person in this city.

It is said that over 200,000 books have been written about the Bible.

Rheumatism Cure for Rheumatism and Neuricar and the hanging of the form.

anxiety to be undisturbed had closed day morning. the front gate tightly. The wall was so high as to shut out observagate open he might have got away unnoticed, but as it was, Mrs. Forder's screams aroused the neighborhood, and before the murderer succeeded in undoing, a crowd had collected with a policeman in its "How "Stil centre, and escape was out of the question. Only one shot had been fired, but at such close quarters that the bullet went through the He does not recognize me any body. John Forder was not dead, but lay on the grass insensible. He was carried into the house and the family physician summoned. little emfort. The case at best was a doubtful one. There was "How do you mean, escape?"

were hope of ultimate recovery, but very little.

Meanwhile the murderer lay in custody, his own fate depending much on the fate of his victim. If forder died, bail would be refused; if he showed signs of recovery, his assailant had a chance for, at least, assailant had a chance for, at least, temporary liberty. No one in the temporary liberty. Bismarck once refused some request of Northumberland County Records, pages 521 and Northumberland County Records, pages 521 and

tend to murder his enemy this but that will not bother him to any handy in his hip pocket.

ed his victim on the grass, he had et al. "Is it possible. Cried the such an enormous miscarriage "that such an enormous miscarriage net expected to be so completely deserted when the news spread through the city. Life was not then this case the code of assasination had year." been violated. Radnor had shot down an unarmed man in his front the room, while her brother tried garden and almost in sight of his to calm and scothe her. unloaded revolver in any of his pockets, things would not have looked so black for Radnor, be"My dear sister," said the lawyer, "do not let your mind dwell so cause his friends could have held that he had fired in self-defence, as they would doubtless claim that the dying man had been the first to show a weapon. So Radnor, in the city prison found that even the city prison found dwell so much on vengence. Remember that whatever happens to the villain who caused all this misery it can neither your mind dwell so much on vengence. Remember that whatever happens to the villain who caused all this misery it can neither help nor injure your husband." papers of his own political party were against him, and that the town was horrified at what it considered a sold blood at what it considered as sold blood at what it can be sold blood at white as a sold blood at white a sold blood at white a sold blood at city prison, found that even the

ultimately die from his wound was departed. 1. The thoroughered blood mare "Carrie C", from the famous stallion "Judge Curtis" which was by "Lexington" out of "Lika" she by imported "Yorkshire" cut of "Victoire." by imported "Margrair". Carrie C. is a tine large chesnut mare which won severa races in Ontario, running a half-mile on the Woodbine track in Toronto, in 52 seconds, and a mile in I minute and 48 seconds. She is an exc lient driver, very ambitious and gentle, and will make a first class breeding mare, being sound in every particular.

2. "The outerses" is a dark brown filly, foaled on the 90th June 1892. She is from "Carrie C." by "Wedemption" which was by "Redwood" out of "Nelie F." she by "Conpon" out of "Chesney Mare"; the dam of Maud Muller 2294. "The Duchess" dignation that had followed the seems to have inherited her dam's disposition; is of large size, and gives promise of being a grand mare.

These alone with a buggy, sleigh, harness and the second of the startling events occurred which

Mrs. Forder nursed her husband or a month perhaps, or he may die assiduously, hoping against hope.
They had been married less than a year and their love for each other had increased as time went on.
Her devotion to her husband had Her devotion to her husband had now become almost fanatical, and the physicians were afraid to tell her how utterly hopeless the case was, fearing that if the truth became known to her she would be bedside of her insensible and break down both mentally and scarcely breathing husband. His

place, he saw, with grave apprehension, the light of insanity in her eyes. Fearful for a break down in health, the physicians down in health down i

second, a man trying frantically to undo the fastening of the front gate, with a smoking pistol still in his hand.

Human lives often hang on trivialities. The murderer in his day morning if Forder is still alive, and I understand his friends have bail ready and that he will be out of jail first thing Monday morning.

The two unseen persons having now satisfied their curiosity by tion from the street, but the height their scrutiny of the house, passed made it difficult for an outsider to on and left Mrs. Forder standing quickly to her house and sent a messenger for her brother. He

found her pacing up and down the "How is John to-day?" he said. "Still the same, still the same," was the answer. "It seems to me he is getting weaker and weaker.

"What do the doctors say?" "Oh, how can I tell you. don't suppose they speak the truth The doctor sent for a specialist to to me, but when they come again I woman they were able to give but true that if John lives through the

very little.

Weanwhile the murderer lay in custody, his own fate depending much on the fete of his wint.

city, unless the wife herself, was more anxious for Forder's recovery than the man who who had shot him.

Bismarck once request get him off on the ground of self-defence. Still, I don't think they called him the "wild man of the woods." him.

The crime had its origin in a miserable political quarrel—a mere wrangle about offices. Walter Radnor, the assassin, had "claims" upon an office. and, rightly or wrongly, he attributed his defeat to the secret machinations of John Forder. He doubtless did not intend to murder his enemy this but that will not bother him to any morning when he started out, but great extent. He has a strong heated words had speedily followed the meeting, and the revolver was handy in his hip pocket.

Radnor had a strong political backing, and even when he stretchyear is over." "Is it possible." cried the wife of justice can take place in a State The lawyer shrugged his shoul so well protected as it has since become, and many a man who walked the streets free had, before that time, shot his victim. But in occur every year, and many times a
