SACRED RECITAL.

Next Sunday evening in St. Andrew's Presbyterian church the Rev. Dr. J. H. MacVicar will preach on "Sacred Music" and at the close of the service a sacred recital will be given when the choir will sing several anthems. Mrs. Curran will sing a solo, and Mr. Emery, the organist, will play several selections, and Miss Olivia Murray will play a violin solo accompanied by Mr. Emery. A silver collection will be taken in aid of the choir fund.

As Mr. Emery, who has done so

much for music in St. John, leaves the city shortly, this will be a splendid opportunity to hear him before his departure.

CRUSTS IN THE NOSE, FREQUENT SNEEZING, YOU HAVE CATARRH—A DISGUSTING DISEASE

Relief in Five Minutes—Certain Cure Follows if "Catarrhazone" Is Used.

Don't stay stuffed up with a sore nose, eyes running and breath bad. Use Catarrhazone. Take one breath through the inhaler—just one single breath and see how it clears out the nose, how it makes you breathe free and easy. Relief from Catarrhazone is quick and effective—you don't have to wait all day to get it either.

No other treatment is like Catarrhazone or is able to drive catarrh so completely out of the system. You don't take anything internally in using Catarrhazone—you don't run the chance of spoiling digestion or lessening appetite with a bad taste in

medicine. Just breathe in that soothing piney vapor, so rich in healing, full of power to cure every type of throat trouble, hoarseness, pain over the eyes, bronchitis and Catarrh. It does the trick. Catarrhazone is in the mouth, nose or throat. Catarrhazone will destroy them. In this way it prevents many an ill.

"I am never without Catarrhazone Inhaler," writes E. J. Jameson of Huntington. "Use it for a minute and it stops a cold at its beginning. If the cold has a start, or if its catarrh or a bad throat, you can easily cure it with Catarrhazone."

If suffering from throat droppings, running eyes, active nasal discharge, choked condition in the nostrils—remember Catarrhazone will quickly cure you. Get the large \$1.00 outfit. It does the trick. Catarrhazone is a sample size 25c. at all dealers everywhere.

Mr. Fowler Arraigns Grits For Wanton Waste of People's Money

Continued from page one.

Continued after recess Mr. Fowler renewed the statement of Hon. Mr. Fielding that the railway could have been built for \$61,419,000. The cost of the road would be four times that much and this was the burden the people of Canada had to bear. Yet the hon. gentleman for Pictou had said no one was deceived. Did he, then why don't Mr. Fielding? No other construction could have been placed on his speech.

Shifting the Blame.

The members of the opposition had tried to claim that the government of today was to blame for much of the expenditure. That was not true. Money had been spent by the present government, but it was upon contracts which had been let before the 21st of Sept., 1911. The old government had let them, they had to because they wanted to take no chance that their friends would not get a slice of the work.

The contracts were specification contracts, every one of them had the price set after every item. Consequently the new government could not repudiate them, although the contracts did contain such items as \$17 per yard for concrete, which was subsequently sublet for \$7 per yard, and the main contractors reaped a rake-off of \$10 per yard. He did not blame the contractors. No fault was to be found with them for getting all they could get. There was the opportunity for a rake-off was a result of the Laurier appointed commission and the fraud, if there be fraud, and if there was no fraud, at least gross ignorance and incompetence lies at the door of the late government.

Investigating Commissioners Well Qualified For Their Work

Mr. Fowler then dealt with the personnel of the investigating commission as well as of the N. T. R. commission. The investigating commission was composed of an eminent lawyer and an eminent engineer, and in every case their conclusions were backed up by the evidence. He challenged any member of the Liberal party to show that conclusions reached in the report were not warranted by the evidence.

Some of the Plums Grits' Friends Got

The N. T. R. commission when appointed opened an office in Ottawa and the first thing they did was to put a sign up "No Tories need apply." The Grit party was to be the pets of the Grit party. Then they were called for construction of the road, it was with the proviso that the government could call upon the contractors to put up such large sums of money as security that only a few firms were able to tender for the work. As a result the G. T. P. construction company got large contracts on which they cleaned up \$500,000 by subletting and not working. What plant did the G. T. P. company have? At least a rake which proved a very useful implement as it turned up the dirt. Then there was Michael Patrick Davis. He also got a big slice of the work. In fact the speaker knew of no one man in Canada who had ever looked at the treasury of the country as had the same Michael Patrick Davis and he did it all with the assistance of a Liberal party. "Let us see," said Mr. Fowler, "just how he profited. On contract No. 7 he made a profit of \$625,000; on No. 8 a profit of \$1,450,000; on No. 9 a profit of \$1,450,000; on No. 10 a profit of \$1,450,000; on No. 11 a profit of \$1,450,000; on No. 12 a profit of \$1,450,000;
