IN OVER-TIME HOCKEY MATCH U. N. B. WON FROM MT. ALLISON

Special to The Standard.
Fredericton, Feb. 25.—The U. N. B. won out from Mount A. in the intercollegiate hockey game here to-night by a score of 3 to 2, an extra period of ten minutes being necessary to find the winner. The Mount A. students came here with a special train confident that their team would win and thus clinch the league championship and they were a much disappointed lot.

The game was played on ice with the surface covered with pools of water and slush, which made good hockey practically impossible. Mount A. looked like winners until the closing minutes of the final part, when the game assumed its only interesting stage, two cleverly scored goals by Walter Kitchen, the U. N. B. midget, tying up the score and then winning from the red and black. The line-up follows:

N. N. B. Goal, Maitman; Point, Balkam; Cover Point, Pugh; Crowe.

Rover, B. Mooney; Pool, Kitchen; Right Wing, Gibson; Left Wing, P. Mooney; Brundage. Officials—Referee, Frank Brown; Montreal, goal judges, R. Melrose, U. N. B. and P. D. Gregg, Mount A. Timers, E. C. Atkinson, U. N. B., and H. C. Hetherington, U. N. B. Penalty timers—E. C. Cronkite, U. N. B., and Ellis Barnes, Mount A.

Scoring summary:
First period—1 Mount A., Eaton, 6:30 mins.

Third period—2 U. N. B., B. Mooney, 8:30 mins. 3 Mount Allison, Eaton, 12:30 mins. 4 U. N. B., Kitchen, 17 mins.

FOREIGN ATHLETIC FRIENDSHIP

That the war will consolidate the friendship already existing between English, French, Belgian and Russian athletes is unquestionable, but it will greatly retard the Olympic games movement. The 1916 celebration fixed for Berlin, is of course, abandoned entirely and it is doubtful if any international athletic meeting in the near future will be patronized by athletes belonging to the belligerent states. Already there is some talk of dropping the Olympic games for good and the notion will be hailed with enthusiasm by the bulk of European nations.

If the games are finally and entirely relegated to the scrap heap it is pretty certain that the Imperial Swimming Federation and similar associations will also go by the boards. Any attempt on the part of the American A. U. to hold the games would be foredoomed to failure. Such a meeting would not attract official entries from countries on this side of the channel and moreover, very few of our governing athletic associations are in a flourishing financial condition to raise individual teams on their own account.

Boxing is enjoying an immense boom in this country just now and is for the time being free from cranky attacks by the puritans. The Liverpool stadium was cleared of the troops last week and boxing resumed last evening. Unless the army people again commandeer the arena, shows will be staged every week during the winter months. From all accounts the management intend to bid high for drawing cards and already have a \$5,000 purse hung up for a bout between Jimmy Wilde and an American opponent—they refuse to disclose his name.

BIG BALL LEAGUE TOPICS

In the list of players announced by Manager Joe Tinker of the Chicago Federals, appears the name of Walter Johnson, who has been ordered to report at the training camp. Tinker's list, with Walter Johnson included, numbers only twenty players, so it looks as if the Feds are determined to get along with a reduced roster next season.

The advance guard of the St. Louis Browns is scheduled to begin work at Houston, Tex., next Monday, Manager Branch Rickey will arrive there this week and on Monday he will begin work with Outfielders Shotton and Williams, Infielders Pratt and Leary, and Pitchers Perryman and Loudermilk.

Manager Clark Griffith has ordered every pitcher on his squad with one exception to report at the Charlotte, N. C., training camp on March 1. The exception is Walter Johnson, who is to arrive with the infielders and outfielders one week later; Nick Altrock and Jack Ryan will be in charge of the early arrivals.
