The Standard offers six trips to Alaska or College courses to those securing the largest number of votes according to the plan herewith announced.

Rule No. 1—Any lady or gentleman in New Brunswick over sixteen years of age is eligible to membership. Any resident of the Province may nominate one or more for membership in the Club.

Rule No. 2—Members of the Club to enjoy the trip, and winners of the spe-cial prizes which will be offered from time to time, will be selected by the votes of readers and subscribers to The St. John Daily Standard and The Semi-Weekly Stan-dard. The voting will be by means of ballots clipped from The Standard, by spec-ial subscription coupons issued on all money collected on subscriptions, and the one thousand votes allowed on the nomination blank.

Rule No. 3—Votes cannot be bought under any circumstances, but must be secured only in the manner set forth in Rule No. 2. Votes on payment made by individual subscribers will not be credited to any candidate unless request for such credit is made at the time of payment.

Rule No. 4—The first nomination received for any member will count for one thousand votes, but only one nomination ballot can be voted for any one mem-ber, and only the person sending in the first nomination ballot for the member who eventually secures the largest number of votes will be entitled to the special nomin-ation prize of \$25.00.

Rule No. 5—Votes once credited to any member cannot be transferred to any other member, with this exception, that the member who may have entered but who for any good reason may wish to withdraw may transfer his or her votes and standing to a substitute who must be an entirely new member.

Rule No. 6—Members may obtain subscriptions anywhere in Canada or the United States, such subscriptions to be paid for according to the schedule of prices published herewith.

Rule No. 7—A ballot will be published in The Daily Standard each day and in The Semi-Weekly Standard each week from April 17 to June 10, good for one vote each. Each ballot will bear an expiration limit and must reach The Standard on or before the expiration date to be counted.

Rule No. 8-No member of The Standard staff, and no member of any of The Standard employees' families is eligible to become a member.

Rule No. 9-Each active member not taking one of the trips or one of the college courses, will receive a cash prize equal in value to the per cent. of the money turned in by him or her on subscriptions. An active member is one who turns in at least ten new subscriptions during the working period.

Rule No. 10-No member can drop out after May 15th and have his or her votes cast for any other member.

Rule No. 11-No districts will be recognized in this Travel Club.

The Standard has arranged, in connection with the "Travel Club" announced herewith, the option that out of the six persons winning these trips, four may if they so desire select instead of the trip a year's course in any Maritime Province College, either Dalhousie, Acadia, Kings, Mt. Allison, U. N. B. or St. Joseph's. Any course given by these colleges may be selected and all expenses other than personal purchases will be provided by The Standard. Here is an opportunity for those who are endeavoring to put themselves through college or to whom such a chance will prove of value

These trips, and these college courses, form together the first prizes offered to members of The Standard Travel Club. In addition to these there will be given from time to time a series of special prizes of much value and to all those members of the club who fail to win the leading prizes. The Standard will pay in cash ten per cent. of the amount they send in on subscriptions.

The whole undertaking is a plan on the part of The Standard to secure additional subscriptions to this paper and renewals of existing subscriptions. Members of the club by their own efforts, and by co-operation of their friends and neighbors may readily secure very gratifying prizes for when one enters, all his or her friends will be interested and will desire to help.

A number of leading newspapers of Canada and the Eastern States have joined together and organized this "Travel Club" fo the purpose of sending during the coming summer a tourist party across the continent to Alaska and return through the United States. Six memberships in the party have been assigned to The Standard on condition that if we so desire this number may be reduced to two in the event that should any number up to four desire to take the option of the college courses they may do so.

The subscribers and readers of The Standard will select the persons who are to receive this wonderful vacation trip. These members will be chosen at large through the Province of New Brunswick and will be those who receive the highest number of votes secured by coupons printed in The Standard, by the nomination coupon, and by votes secured through payment of subscriptions to The Daily or Semi-Weekly Standard.

Send in your nomination blank today and full information will be sent to you at once. You have nothing to lose in joining the "Travel Club" for it costs nothing to enter and if you should not win a trip you will receive a cash prize amounting to ten per cent. of all the money you turn in on subscriptions.

Every man or woman has an equal chance to win in this. There are no votes to buy, and no chance of being beaten out by those who may have opportunity to buy votes in quantity. There are no Standard votes for sale and the daily ballots which will be printed are not a commercial possibility, for subscribers' votes so far outnumber them that it would be of no avail to traffic in them.

Any resident of New Brunswick of good character is available for membership. By signing the nomination blank at once you will start with one thousand votes. In your spare time see your friends; they will help you.
