ap 13 It is said that the Legitimist party in the French Assembly committed suicide Ayer's Cherry Pectoral, PINE OIL, NUTS, &c. ST. JOHN, N. B. Chatelaine Braids! Wost CLOTHING MADE TO ORDER A MONG the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually centrol them. The testimony of our best citizens, of all classes, establishes the fact that Cherry Pectoral will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most langerous affections of the Pulmonary Organs yield to its power; and cases of Consumption, entred by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tenrulungs need this de ence; and it is unwise to without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of childhood, Cherry Pectoral is invaluable; for, by its timely use, multitudes are rescued from premature graves, and savet to the love and affection centered on them. It says peed in a surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troblesome Influenza and painful Bronchitis, when they know how easily they an be cured. Prepared by Dr. J. C. APER & CO. LOWELL, MASS., Practical and Analytical Chemists. Sold by all Druggists Everywhere.
