

Where will you stay while in Toronto?

Toronto papers are already advertising accommodation for Exhibition visitors.

Whether you plan to stay at a hotel, with friends, or in one of the many homes offering accommodation, we suggest that you make arrangements in advance.

The quickest and surest way is to Telephone by Long Distance, get full particulars, and settle it at once.

Those advertising accommodation nearly always give their telephone number. A Station-to-Station call will serve your purpose, and the rate is lower.

TOWN AND VICINITY

Melbourne Fall Fair will be held on Thursday, October 9th.

Glencoe Fall Fair, Wednesday and Thursday, September 24 and 25.

Swatting the fly has become almost a lost pastime this summer.

Almost 95 per cent. of the new books each year fail, and that isn't nearly enough.

P. J. Morrison has bought out the business of Lorne Grigg, barber, and is again wielding the razor and shears.

Three links of Glencoe bowlers left for Dutton bowling tournament today (Wednesday) as follows:—Moss and Whitehall, Mawhinney and McLachlan, Davidson and Wilson.

Those who go away occasionally to see a bit of the outside world all come home with the same opinion, that our citizens do not fully realize what a glorious town and country we have right here.

Edward deGex, of Kerwood, who was seriously injured some weeks ago when he fell off a load of hay, is showing marked signs of improvement, although still lying helpless on his back in the Strathroy hospital.

A friendly game of baseball was played at Appin one day last week between Glencoe and Appin junior teams. Glencoe winning by a score of 19-7. Glencoe batteries—Hicks and Ramsey; Appin—Peckham and Cushman.

The gentlemen friends of Lorne Grigg, who recently sold out his barber shop to P. J. Morrison, and is leaving town, gave him a farewell party at the Royal Bank rooms on Tuesday evening and presented him with a handsome club bag.

Reports made by many farmers to the Middlesex office of the Department of Agriculture indicate that the potato crop has suffered seriously from a variety of blights. A short production is anticipated and an advance in prices is predicted.

A special meeting of the town council was held on Monday evening to consider the report of the engineer on the Siddall-Wright drain. After hearing a number of those interested in the drain, the meeting was adjourned until Friday evening.

A local bowling tournament was held on the greens last Wednesday, which resulted as follows: 1st, Fred Gough and Chas. Mawhinney, china bowl; 2nd, Thos. Brand and C. O. Smith, cup and sancer; 3rd, W. J. Ford and A. B. McDonald, bud vase.

The monthly meeting of the W. M. S. of the Methodist church was held on August 14th. The topic for the afternoon was Temperance. A paper was given by Mrs. D. H. Love. Leaflets were read by Mrs. J. L.

Prize lists for the Glencoe Fall Fair, the dates of which are September 24 and 25, are now ready for distribution. Copies may be had from the secretary, R. W. McKellar, or at the Transcript office. The list is brimful of tempting prizes, and should be thoroughly looked over by all who have an interest in our exhibition.

Mr. Wallace, of Thamesville, who bought the timber on the Clanahan farm at the river and had much of it cut into stovewood last winter, is placing a thousand cords of the wood in the C.N.R. yards here for shipment to Detroit. He will receive for the wood, f.o.b. at Glencoe, about 15 per cord of 125-ft. measurement.

The ladies' bowling club held an interesting local tournament on the greens Friday afternoon. The winners were: 1st, Mrs. A. E. Sutherland and Miss Edna Precious; 2nd, Mrs. James Poole and Miss Ophelia Thomson; 3rd, Mrs. Luckham and Mrs. Irwin; 4th, Mrs. R. M. MacPherson and Mrs. Heal. The consolation prizes went to Mrs. Knox and Mrs. Suiter.

The wheat and oat harvest in the Glencoe district has been nearly completed and threshing is under way. Old residents are all agreed that not in their lifetime have they seen such excellent grain crops. Reports are coming in of yields as high as fifty bushels of wheat and one hundred bushels of oats to the acre. The sugar beet crop is also one of the best ever known in the district.

When Glencoe High School students come back to their studies after summer vacation they will scarcely be able to recognize the old seat of learning. A complete transformation is being made in and around the building under the hand of artistic painters, repairers and cleaners, besides the addition of new seating and other furnishings. In all respects the G.H.S. will be kept to the fore.

Members of the Glencoe tennis club were invited to take part in a tennis tournament at Dutton last Wednesday, but owing to wet weather the tournament was cancelled. Glencoe players then arranged a local tournament at the courts here. Jean McLachlan and Ed Mayhew defeated Mrs. Ed. Mayhew and R. D. McDonald in the finals. Twelve members of the club expect to participate in a tournament at Chatham today (Wednesday).

No Rest With Asthma.—Asthma usually attacks at night, the one time when rest is needed most. Hence the loss of strength, the nervous debility, the loss of flesh, and other evils which must be expected unless relief is secured. Fortunately relief is possible. Dr. J. D. Kellogg's Asthma Remedy has proved its merits through years of service. A trial will surely convince you.

McEachran Clan's Reunion

(Continued from page 1)

with the great clans of Campbell and MacDonald. After the battle of Cul-loden, the clans disbanded as military organizations, and became bodies for the development of the social life of the communities they represented.

So far as individual records of the family in Canada went, they could only trace their ancestry in detail to McEachran-A-Drian, who lived in the 18th century, which was unfortunate, as it left a doubt as to which particular branch of the clan to claim origin.

After giving the history of the family since the sons and daughters settled in the district, Dr. Stalker concluded by holding up the record of these pioneers as a model to follow. Their record, he said, was a model well worth living up to, as they were a God-fearing, law-abiding and industrious people.

Duncan Campbell, of Crinan, who came to Canada 72 years ago, in recalling old times said that in his young days the woods were everywhere, up or down; it was rare that a man could see daylight ahead of him in any direction. A great change was there today but the memories of the old days were there, too, and the thoughts of the past were thoughts that made the name of McEachran one to be proud of. It was his hope, he said, that the young people would keep up to and remember what the name McEachran stood for.

The difference between church services in the old days and the present time were stressed by Neil McEachran, of Buffalo, who arrived in Canada from Scotland at five years of age. Mr. McEachran's early church-going experiences were: Service commenced at 11 a.m. in English, followed by another in Gaelic; born long. He informed his hearers that around 5 o'clock in the evening was the usual time for church to be out, and after that came the usual long drive home for most people.

Officers elected for the ensuing year were: President, J. J. Stalker, Aldborough; vice-president, M. McAlpine, Glencoe; honorary secretary, Miss Kate Campbell, Crinan; treasurer, D. D. McEachran, Glencoe.

Springbank Park, London, was selected for the 1925 gathering, to be held on the second Thursday in August.

Part of the afternoon's musical program was contributed by three of the Minneapolis visitors, all of which were greatly appreciated: Miss Stewart McEachran, in Highland dances; Gordon McEachran, in banjo solos, and Miss V. Scarborough, at the piano.

Results of athletic sports, etc., were as follows:

Girls under 6—Florence Dewar, Melbourne; Mary McKellar, Glencoe; Marion McEachran, Glencoe.

Boys under 6—Keith Telford, Newbury; Glenn Edes, Detroit.

Girls under 12—Jean Strachan, Glencoe; Florence McKellar, Glencoe; Margaret McLean, Wardsville.
