LINENS

Our trade in this department has increased enormously during the last six months, due to the fact that we do not tie ourselves to any one manufacturer, but buy our goods for **CASH** wherever we can get them **CHEAPEST**. With more accommodation and better light in the warehouse and special values, we predict a greater increase during the next six months. When visiting Toronto be sure and see our new Linen Department.

“Accuracy with Celerity,”

the motto in our LETTER ORDER DEPARTMENT.
