

FOR MEN, WOMEN AND CHILDREN

6 Pairs for \$2.00

As the washing machine banished the wash board, and the sewing machine lightened the labors of the seamstress, so NEVERDARN Holeproof Hosiery will do away with the drudgery of the darning needle and the mending yarn. You see NEVERDARN Holeproof Hosiery is not the kind of hosiery you have been used to wearing. It is better made—of better yarn and is

Guaranteed Holeproof for 6 Months

We are the only makers in Canada who make hosiery good enough to guarantee for six months.

We use specially prepared maco and long fibre Egyptian lisle yarn. Our six strand yarn is interwoven by special machinery. This hosiery is made to wear—extraordinarily durable, but not heavy—the heels and toes are doubly reinforced, made to resist wear where the wear comes.

Holeproof Hosiery is dyed by an entirely new process. Dyeing hosiery in the ordinary way weakens the fabric, making it harsh and stiff, and, in a great many cases, positively unclean as the dye rubs off discoloring the feet.

Our new process makes the Holeproof fabric as clean, soft and strong as undyed hosiery. The colors of Holeproof are absolutely fast.

You do not know what real foot comfort is until you have worn Holeproof Hosiery—it is so soft and easy on the feet.

Holeproof Hosiery is the most cleanly and sanitary hosiery in existence and costs you no more than the ordinary kind.

You buy them 6 pairs \$2.00, with the following guarantee in each box:

Let the Children Kodak

Enrich the home life with pictures of them and by them. There are opportunities at every moment of their busy little lives—they pose for you a hundred times a day and do it the more gracefully in that they do not know it. In every movement from "Good morning Papa" to "Now I lay me" they invite the camerist and turn about is fair play—Let the children kodak—The mystery of photography appeals to them and with a simple little Brownie they soon learn to make good pictures.

There's no dark room in photography by the Kodak system—Every step has been so simplified that the merest beginner can now make good pictures from the start—KODAK means photography with the bother left out.

"But—" A knock came at the door.

"Please ma'am the colonel's orderly wants to see you—"

"Very well, I'm coming."

Mother came back up-stairs, looking happy and excited, and carried a little package tied with gay ribbons.

"Something for you from the colonel. What do you suppose it is?" she asked.

With fingers trembling with excitement Jack untied the ribbon and found a blue velvet box, and inside that box, on a white cushion, lay a small silver watch. On top of the watch was a card, which read:

To gallant Captain Jack in recognition of his distinguished service.

From Tom's Father.

And inside of the watch was engraved:

For promptness in saving life.

"Oh, mother! It's a real watch; all my own, from father's colonel."

Just then they heard someone calling: "Jack—look out of the window!"

Jack leaned forward and looked out. There in the road stood his father, and beside his father stood the most beautiful black pony Jack had—ever seen—a pony such as Jack had sighed for, but never expected to own even in his dreams.

Jack was too astonished, too happy, to say one word; he could only wave his hand frantically to his father, and then turn and hug his mother.

"Mother," he said, "I'm going to be a better Captain than ever after this."
