## It's the IBM® personal computer at ComputerLand® now.

Come on in. We want to show you the IBM® Personal Computer. It's one of the most popular computers on the market, and with good reason. This computer offers virtually everything you need for your business or your home. With it you'll have access to a complete software library. Come in and see it.

Just a few of the IBM's key features are:

- A powerful 16-bit microprocessor.
- 64K memory, expandable to 640K.
- 83-Key detachable keyboard.
- Diagnostic self-tester.

## Gold Medal Award

Each year the Students' Union awards a student with a Gold Medal for excellence in curricular and non-curricular activities at the University of Alberta during the previous academic year.

**Criteria:**

- candidates must be in the graduating year of their most recent degree program
- candidates must have a Grade Point Average of at least 7.5 in courses taken two years previous to the graduating year and in the first term of the graduating year
- extra-curricular involvement in University and/or community activities.

**Deadline for Applications: Monday, 25 February, 1985**

Contact the Students' Union Executive Offices for application or nomination forms, and/or for more information (259 Students' Union Building, 432-4236).
