Thousands of fans turned out last Saturday afternoon at College Field to cheer the UNB Red Bombers on to their opening Bluenose Conference League game victory 28-18 over the visiting Dalhousie University Tigers.

As the game opened, it appeared as if Dalhousie was well on the way to playing a strong game. UNB was penalized five or six times early in the game for being offside defensively. A strong downfield drive put Dalhousie on the scoreboard with a converted touchdown to lead 7-0. UNB came

right back with Bob Clive driving to score an unconverted touchdown leaving the score 7-6. From the point on in the game UNB was in command. The offensive and defensive Bomber lines combined strong team efforts to maintain a greater percentage of the possession of the ball.

One of the highlights of the UNB offence was the growing ability of their ground game movement of the ball rather than passing. Bob Clive scored twice more in the game and Jamie Porteous picked up a touchdown en route to the UNB victory. Clive appears to be heading for another great season

as he picked up 157 out of 192 yards that UNB had rushing. Clive carried 20 times.

Don Davis called a good game showing poise in leading the team forward with five first downs rushing and four first downs passing. Nine out of twenty passes were completed for a total of 83 yards making the total offensive yardage 275 yards.

Both offensive and defensive lines appeared to be blocking and rushing very well. This was quite observable offensively as Don Davis usually had plenty of time to throw when he wanted to.

Dalhousie picked up a field goal, an extra point, and a touchdown late in the game to end the scoring. Further statistics on the Dal team were unavailable.

In other League Action, SMU Huskies were defeated 24-22 by the Acadia University Axemen - UPEI defeated St FX 16-7.

Thus, the feeling of optimism which started with UNB's exhibition victory over UPEI is increasing. Possibly, the Conference titleholders will be right here on campus. The Bombers clash with the Mt. Allison Mounties in Sackville this weekend and is rated as a tough game. So, let's all go down and cheer the Bombers on.

were shut out, it is obvious that the seconds' tackling was outstanding. The only unhappy result of this resounding Rugby weekend was a brace of injuries: Doug Robertson was hurt on Saturday and Dan Dawkins on Sunday; both had played well, and they'll be sorely missed.

Tomorrow the two teams will be in Saint John, where the Ironmen challenge the Trojans while the "B" side play a combined UNBSJ-Trojans team.

## Rugby teams defeat opposition

The UNB Ironmen whipped the Fredericton Loyalists 17-0 Saturday afternoon at College Field after the second team scored a 16-0 win over The Border RFC. And on Sunday those same seconds demolished a frightened Fredericton High School club 34-0. That's right: 67 for, none against. Fifteen touchdowns by twelve different players. And every man on the Club in action in at least one of the games.

Last November 4th on a Raceway Field of splintered ice, the Ironmen crushed the Loyalists 22-0 to capture the McNair Cup; their first league victory of this season on the City team's home ground was no less impressive. In the first half fullback Bert Papenburg kicked a 35-year field goal, halfback Bruce McLeod ran 10 yards for a touchdown, and flanker Paul Thrush swerved, leapt, and sidestepped for another; Papenburg converted the latter.

But the most exciting try was yet to come: midway through the second half outside-centre Huey Dickison sped for 40 yards through Loyalist defenders and embellished the moment by faking out three last-ditch tacklers in the end zone and touching the ball down between the posts. For all these heroics, the victory was a fifteen-man effort for the full eighty minutes. Forwards and backs dominated every part of play: scrums, rucks, lineouts, and, above all, play in the open field: the Loyalist running game was totally ruined as UNB scrum-men and backs charged onto ball-carriers and flattened them before they could move five yards. The Loyalists did threaten once in the first half, but were held off by a fine goal-line stand, and were then quickly driven back by the timely kicking of the UNB halfbacks. Here are the men who won the

game: forwards Joe Mongey, Garth Lord, Ian McArthur, Terry Flynn, Bill Sullivan, Les Morrow, Paul Thrush, and Jim Neville; and backs Peter Silk, Bruce McLeod, David Keat, Hugh Dickison, Eric Miles, Trevor Morris, and Bert Papenburg.

The second team - who are still trying to think up a name for themselves - beat the heavy and punishing Border RFC from St. Stephen behind four unconverted tries, two by the swift winger Bruce Buchanan, and the others by Rick Hobson and Sam ("The Brooklyn Easel") Milstein. The promise shown by the seconds on Saturday was more than fulfilled at College Field on Sunday afternoon when they sprinted, rammed, and tackled their way to a highly convincing triumph over Fredericton High. Left prop Peter Asser, playing a ferociously talented game, smashed through and over

the opposition for two touchdowns. Six others got into the FHS end zone: Bob Hornbrook, Daryl Caines, Killer Kelly, Paul Tonner, and again - Bruce Buchanan. So seven of Sunday's fifteen players got TD's to their credit (one was converted), a pretty good indicator of a well-balanced and unselfish team. Scoring aside, those Ironmen and their coach watching from the sideline were pleased indeed to see how well so many new players did so many things. For example, lockforwards Dan Yeomans and Lorne Drake dominated the lineouts; all the forwards gave excellent support, and appeared to have years of experience behind them in their quick reactions in rucks and mauls; and fullback Nigel Campbell covered his position as commandingly on Sunday as he had the previous afternoon. Furthermore, since both opponents

## Red Shirts overcome by Memorial in St. John's

By ROBERT PAQUETTE

The first two league games of the Red Shirts got off to a slow start with the UNB team being defeated by a conditional Memorial University squad. Memorial is not as strong as it was in days of old but their sheer experience of playing on a big pitch and superb conditioning paid off.

The first game on Saturday afternoon was contested under sunny skies but a strong cold breeze played a factor in the outcome of

the game. UNB over ran the Newfoundlanders in the first 30 minutes but once fatigue set in Memorial bounced back and scored a fast goal making it 1-0 at the half. In the second half, UNB came back against the wind and again Memorial moved the ball effectively and put away two more making the final score 3-0.

Starting the next day's game as underdogs but with alot of spirit, the UNB team forced the Memorial squad to submit to a 2-0 lead until late in the half when the opposition

pounced back with a goal on a scramble play. Both UNB goals were scored by left winger Jeff Mockler who put in a fine showing for the UNB squad. The first half ended with UNB ahead 2-1. But once again fatigue became the Shirts pitfall and Memorial drove back with three goals in the second half making it 4-2 at the final whistle. Once again a strong cold breeze played a factor but also this game was played on a wet and muddy field with rain falling most of the time.

UNB has four more league games, two home and two away, exchange visits being with Mount A and U de M. The Red Shirts are still in excellent contention for a second place standing in the league, putting them in the playoff which will be held here in Fredericton. St. John's, Newfoundland is the site of the Canadian National finals this year.

Coach Gary Brown has two weeks to work with the team before they take on the University of Moncton Blue Eagles in a home

match so he'll be putting the team through quite a tough grind in preparation. The team has alot of spirit and talent now with late arrivals and people coming off the injured list. UNB'ers can expect to see some admirable performances by the Red Shirts in the future.

Keep up the hard work, team!!

CHSR will be broadcasting Saturday's UNB vs Mt. A. football game starting at 1:15 p.m.
