

## York and Italian universities offer travel/study program

A panoramic view of Assisi, in Perugia, Italy—just one of the fascinating stops along Summer Studies '85's route.

By ROBERTA DIMAIO  
For a few years now, the Italian section of the Language and Linguistics Department at York University, in collaboration with universities in Italy, have been offering university credit courses for summer studies in Italy.

These courses are held for a duration of six weeks; three weeks in Florence (May 10-June 8) and three weeks in Rome (June 8-June 30).

This year there is a new offering made possible by the Regional Government of Umbria, for a seventh free week in Umbria, with visits to Perugia, Assisi, and Orvieto.

Various excursions to Pompeii, Capri, Siena, and San Gimignano are included with guided tours, and

given to the students as part of the courses at no extra charge.

No knowledge of Italian is required to participate in the Summer Studies 1985 Program. There are two half culture courses and two half literature courses taught in English, and one full course in elementary Italian, half for non-speaking students.

"Students can discover interdisciplinary learning," Professor John Picchione said, "by being exposed to social, historical, artistic, and literary aspects of Italian civilization."

To take advantage of this program, and for further information concerning the summer studies 1985, contact Prof. J. Picchione at 667-6209, or Prof. M. Frescura at 667-6289 no later than April 1.

### YUKON JACK ATTACK #5.

#### The Walrus Bite.

Temper 1/2 ounce Tequila with orange juice over ice. Fire in 1 ounce Yukon Jack to give the Walrus its bite. And you thought Walrus didn't have teeth, (tusk, tusk, tusk). Inspired in the wild, midst the damnably cold, this, the black sheep of Canadian liquors, is Yukon Jack.

**Yukon Jack**

The black sheep of Canadian liquors. Concocted with fine Canadian Whisky.

## We take the stuffiness out of lending!

### Car Loans

At Unicoll Credit Union you don't need to ask for Mr. Johnson or Mr. Reinhardt or Mrs. Yarrow...just relax, come on in and we will look after your needs. The Credit Union is here to help. Whether you are a long standing member or are thinking of joining us, it makes no difference—we will help all we can. 100% financing is available meaning that no down payment is required. You can take up to 60 months to repay and we will even extend that should your loan be over \$20,000. We have an exceptional rate for 1984 and 1985 models including demonstrators. In a rush? We can give a 24 hour approval.

### What is an Open Mortgage?

One of the problems with a mortgage is that you, the borrower, get "locked in" for a set term at a fixed interest rate with few options to prepay either in whole or in part any of the principal. At UNICOLL you don't have that problem.

An open mortgage is just that—a contract that is open; it can be paid off at any time even to the extent of reducing the balance by as little as \$100 whenever you feel like it. The competition are slowly trying to catch up, but at UNICOLL we have always had this feature!

We also feel that you should not be penalized when taking out a 2nd MORTGAGE and as such our current interest rate for 2nd mortgages is only 1/4% higher than our 1st mortgage rate. And they, too, are completely open.

### Are you paying too much?

To help you answer this question we have set up a list of popular sources of borrowing and have shown their current interest rates\*. Consolidate your loans with UNICOLL and have just one manageable payment each month or simply transfer your existing loan to us and enjoy the lower monthly payment. Get your finances in order now.
