ONE OF OUR FAVOURITE SITTING PLACES is under the sign Jack Daniel and Lem Motlow put up over a century ago.

Jack Daniel settled on this very spot in 1866 and here's where he found ironfree water perfect for his needs. The spring still flows at our distillery today, not ten yards from where these gentlemen are chatting. And we still make Jack Daniel's Tennessee whiskey the way Jack and Lem once made it, drop by drop. After a sip, we believe you'll appreciate our traditional ways.
