being out of school for the week of March 18 they will have a day off on Feb. 16, when the elementary school teachers hold their professional development day.

Grade 6, 7 and 8 pupils at Sheridan Park School have been asked to indicate their choices for extra-curricular activities for the winter term.

With bus transportation a problem not easily overcome the staff has planned to shorten the periods on one afternoon each week in order to provide forty minutes for these activities.

From the list students are asked to choose three interests, from which the program will be set up.

The possibilities given are: art, sculpture, great books, chess, choir, debating, drama, French, archaeology, recorder,

science, folk dancing and tumbling.

Welcome to Mr. and Mrs. E. Hyjek, who recently moved into their new home on Woking cres.

St. Peter's Church School held their annual skating party last week for all the pupils in grades 4 to 8, including members of the junior choir who have Sunday School instruction on Wednesday nights in conjunction with choir practice.
