Dear Mr. Caloren:

I appreciate exceedingly
your very kind letter of April 15th and
have much pleasure in sending you herewith
a copy of the address to which you refer.
It has been somewhat of a revelation to me
to be able to witness a tremendous interest
in Shakespeare throughout the whole country
and a very intelligent interest it is.

Again thanking you,

Yours sincerely,

Mr. H. F. Caloren,
President,
Young Canada Conservative Club,
Smiths Falls, Ont.
