to British Columbia.

On April the 26th, Premier Pattullo announced that an agreement had been reached for the transfer of the Yukon Territory to B.C. Mr. Pattullo's announcement gave rise to considerable interest in the press and elsewhere.

In the absence of Mr. Howe, the Acting Minister of Mines and Resources, Sen. Dandurand, after consultation with the permanent heads of the Department, made a statement to the press, as indicated in the attached clipping. A statement along these lines, Sen. Dandurand intimated to me, had been approved by Council.
