

MEMORANDUM.

Department of Indian Affairs,

To

Ottawa,

18

occurs in the first line of the Description  
S. E.  $\frac{1}{4}$ . should be S. W.  $\frac{1}{4}$ .

" also, there is an error of 3 feet in the  
total length of the Centre Line across the  
said Section in the Description, the same  
distance as shown between the stations  
on the Plan is 3 feet shorter.

" ~~The surveys of~~ lands are situated within the  
Railway Belt, the survey must be performed  
and by a Dominion Land Surveyor  
also the Plans must be signed by  
him. It is not necessary that  
copies of the original Plans that may  
be required be signed by the Surveyor  
himself, but the Deptt. requires, in  
addition to the signature of the President  
or other officer representing the Railway  
Company, that <sup>the date of survey and</sup> a copy of the Surveyor's  
signature be placed, in the usual  
manner, on each plan submitted.
