OTTAWA, 4th April, 1923-

Gentlemen-

Referring to Lease No 45, covering land on the Semiahmoo Indian Reserve, which stands, by assignment, in your name, I would ask that, in future, you will be good enough to pay rental to Mr. A. O'H. Daunt, Indian Agent, New Westminster, for transmission to the Department, the usual procedure, in order that a complete record of this transaction may be kept in his office and, so, unnecessary correspondence avoided.

Action in accordance with the foregoing will be greatly appreciated.

Your obedient servant
