A GOOD TYPE OF MOVABLE COLONY HOUSE.

This house may be built 8' x 12', or as much bigger as the size of the farm gates and the moving power will permit. If preferred the glass may, instead of an upright window, be built low and wide along the top of the wooden part of the front, as shown in the plan.

LIST OF MATERIAL REQUIRED FOR MOVABLE COLONY HOUSE.

	Board Feet
Plate, 2 pcs. 12' x 2" x 4"—24 lin. feet.....	16
