TAPESTRY PANELS

This is one of the many novelties we are finding large sale for as the Christmas season approaches. They win your taste as works of art. They are French goods, and possess that degree of fineness that is characteristic of French art. They make up beautifully for screens and cushions for the floor, the couch or the divan. You can buy one or more panels and make up as you may wish yourself—the prices ranging from 40c. to \$12.50—or in our upholstery department we will make up cushions or screens or other specialties for you

**Oriental Cushions, a special line—
fine for knock-about cushions in the
living room. \$1.50 to \$2.00.**

Passing along King St. West, it will be worth your time to take a view of the new carpet for the Council Chamber in the new City Hall—now on exhibition in our west window. It is, perhaps, the handsomest carpet of this particular kind ever imported into Toronto.
