

IT TEACHES THE TEACHER HOW TO TEACH

This **New Standard Teacher Training Course**, consisting of four books for the first year, each written by an eminent specialist in his subject, is unlike former courses. They, for the most part, consisted simply of information. This new series just published shows **how** information is to be utilized.

Better teachers mean better results—and results count !

The Course has been approved by the International Sunday School Association and well nigh thirty of the leading denominations in the United States and Canada.

Our own Church's S.S. and Y.P.S. Board strongly urges every School to start a Teacher Training Class, using the **New Standard Teacher Training Course**; and gives Certificates and Diplomas for successful examinations.

Let these books form the basis of a Training Course in your School.

We owe it to the boys and girls !
