Is WITHOUT QUESTION the MOST VALUABLE PUBLICATION pertaining to Evangelical Christianity and Nonconformist Church History and Biography ever published. There are numerous dissenting seminaries of learning, in which this publication should most assure be found, to be loved, consulted and preserved for future generations. It was commenced at a when to be a dissenter was to be almost a criminal, and abounds with the most reliable informa.... relating to church history, biography, the history, constitution, results, and prospects of Christianity in all parts of the world for nearly one hundred years, and is not obtainable from any other source. THE SET CONTAINS some SIX OR EIGHT HUNDRED ENGRAVED PORTRAITS OF good old NONCONFORMIST MINISTERS and others, whose names are household words in England, and whose MEMORY AND LABORS WILL BE HELD IN EVERLASTING REMEMBRANCE. The portraits alone should be worth more than the money.
