Carter's Bulbs

are unequalled for bowl or bed culture.

The Carter catalogue and handbook—"Bulbs"—illustrates and describes the choicest varieties of Tulips, Narcissus, Daffodils, Crocus, and many others. It lists all well-known favorites and many exclusive kinds not to be had elsewhere. Complimentary copy on request. Write for it to-day.

Digging Potatoes with an IRON AGE

Saves time, saves labor, gets all of the potatoes, helps you get to an early market when the price is right. Digs, separates thoroughly, drops the potatoes where you want them, and in most cases fairly well sorted. The question is: Can you afford to be without a digger?

Four styles from which to choose the one that suits your conditions best. You pay for and your horses draw only what you need. We have been making Diggers 10 years, and know what to build for this work. Our booklet "D" tells the whole story in an understandable way. May we send it?
