

IT'S MONEY IN YOUR POCKET

To use Pedlar Steel Ceilings.

The entire surface appears to be one beautiful combination of curves and angles, without beginning or without ending—a veritable triumph of the interior decorator's skill.

Churches, dwellings, meeting halls, stores, and offices when fitted up with Pedlar Steel Ceiling and Wall Patterns present an appearance of richness and stability that cannot be duplicated in lath or plaster. Besides they are economical.

When we know you are interested, we'll send our handsome catalogue.
