I was given up by the Doctors but am nearly cured by Gates' Medicine.

SPRINGHILL MINES, August 3rd, 1881.

MESSRS. C. GATES' SON & CO.—

Your preparations given to the public as a cure for Asthma and Consumption may be considered reliable in my experience. My neighbors can also say the same of me. They had no hope whatever, and advised my wife to spend no more money on me, thinking it was no use, as I had been given up by the doctors; but I thought I would try your medicines, and consider that it is by their use only that I am living and maintaining my family by my own work. The doctors advised me not to take it, because, they said, when the cough stopped I would not live 24 hours; but I am alive, thanks to GATES' MEDICINES, and am doing better than I have been for a great many years.

KENNETH MCGILVARY.

The above statement was sworn to as correct in every particular, by the above named Kenneth McGilvary, before me, at Spring Hill, this 4th day of August, 1881.
