This Farmer's Company received its first car of grain. In that first year our volume was **2,340,000 bushels**. In the 12 months ending Aug. 31st, 1916, we have handled over **48,000,000 bushels** for upwards of **11,000 shippers**.

## Shipping Bills and Instruction Forms

Fill in the coupon below stating how many cars you expect to have and the line of railway you ship over. Mail it to us and by return post you will get the supplies you need. It will then not be necessary to ask the Station Agent or anyone else for the form on which to bill out your car. Besides, you'll not need to write a letter stating what you want done with your shipment. Our blank form makes it easy for you to give definite instructions regarding the disposal of your grain. Nothing could be simpler or plainer in grain selling.

If our Daily Grain Market Letter will be of service to you, let us know. It goes FREE to those who want it—once a day, or once, twice or three times a week, as you wish.
