S. R. WARREN
MANUFACTURER OF ORGANS, PIANO-FORTES, &c., &c., at the Store of St. Joseph and St. Henry Streets,
MONTREAL.

WOULD respectfully call public attention to the large and complete facilities for manufacturing and Mahogany PIANO-FORTES, which he is now offering for Sale at his WAREHOUSE in the City, and which he has made up in great variety of styles, including six and a half and seven Octaves, with Metallic Frames. These Instruments being of his own manufacture, he has no hesitation in saying that in brilliancy and volume of tone, durability of workmanship, and excellence of finish, they are inferior to none imported into this Province.
From great experience and facilities for manufacturing he is enabled to state that the above Instruments will be sold at a great reduction from former prices; and that all orders for Pianos, Church, Hall, Reed Organ, &c., &c., of any make and capacity, will be executed with promptness, and warranted to give entire satisfaction. He also manufactures in Mahogany and Brass Cases, from four, four and a half, to five Octaves, to the inspection of which he would invite the Musical Connoisseurs of Montreal.
S. R. W. invites those who are in want of such Instruments, to call and examine the quality and price of the same before purchasing elsewhere.
