For the Removal and Permanent Cure of all
NERVOUS DISEASES,
And of those Complaints which are caused by an impaired, weakened or unhealthy condition of the
NERVOUS SYSTEM.

This beautiful and wonderful application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the *most valuable medicinal discovery of the Age.*

Dr. CHRISTIE'S GALVANIC BELT
and
MAGNETIC FLUID,
is used with the most perfect and certain success in all cases of
GENERAL DEBILITY,
Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINTS, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one and simple cause—namely,

A Derangement of the Nervous System.

☞ In NERVOUS COMPLAINTS, Drugs and Medicines *increase the disease*, for they weaken the vital energies of the already prostrated system; while, under the strengthening, life-giving, vitalising influence of Galvanism, as applied by the beautiful and wonderful discovery, the exhausted patient and wearied sufferer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of
Dr. Christie's Galvanic Curatives,
consists in the fact that they arrest and cure disease by *outward application*, in place of the usual mode of drugging, and physicking the patient, till exhausted Nature sinks hopelessly under the infliction.

They strengthen the whole system, regulate the circulation of the blood, promote the excretions, and restore the highest vigor under any circumstances. Since their introduction in the United States, only three years since, more than

75,000 Persons

including all ages, classes and conditions, among which were a large number of ladies, who are particularly subject to Nervous Complaints, have been
ENTIRELY AND PERMANENTLY CURED,
when all hope of relief had been given up, and everything else described in vain!

To illustrate the use of the **GALVANIC BELT,** supposing the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Disorder. In ordinary cases, stimulants are taken, which, by their action on the nerves and muscles of the stomach, afford temporary relief, but which leave the patient in a lower state, and with injured faculties, after the action that excited has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic mother, or wife, in the worst symptoms of an attack, and simply tie the Belt around the Body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will set on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. This the most severe case of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CERTIFICATES AND TESTIMONIALS

AN EXTRAORDINARY CASE,

"Truth is stranger than Fiction."
CURE OF
Rheumatism, Bronchitis and Dyspepsia.

REV. DR. LANDIS, A CLERGYMAN
of New Jersey, of distinguished attainments and unsullied reputation.

SIDNEY, New Jersey, July 12, 1858.

DR. A. H. CHRISTIE—Dear Sir: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about *twenty years* I had been suffering from Dyspepsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About *fourteen years* since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to severe Chronic Rheumatism, which for year after year caused the indescribable anguish. Further: in the winter of '45 and '46, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. *My nervous system was thoroughly prostrated, and, as my Bronchitis became worse, so also did my Dyspepsia and Rheumatic affection*—thus convincing that these disorders were connected with each other through the medium of the Nervous System. In the whole pharmacopœia there seemed to be no remedial agent which could reach and recuperate my Nervous System; every thing that I had tried for this purpose had completely failed. At last I was told by my friends to examine your inventions, and although with an every-day-spun hope of their efficiency, I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1856. *To my great astonishment, in two days my Dyspepsia had gone; in seven days I was enabled to resume my pastoral labors, for have I since omitted a single service on account of the Bronchitis, and my Rheumatic affection has entirely ceased to trouble me.* Such is the wonderful and happy result of the experiment.

I have recommended the BELT and FLUID to many who have been likewise suffering from Neuralgic affections. They have tried them, WITH SIMILAR RESULTS, I suspect, in every case.

I am, dear sir, very respectfully yours,
ROBERT W. LANDIS.

DR. CHRISTIE'S
GALVANIC NECKLACE
is used for all complaints affecting the Throat or Head, such as Bronchitis, inflammation of the Throat, Nervous and Sick Headache, Dizziness of the Head, Neuralgia in the Face, Ringing or Roaring in the Ears, Deafness, which is generally Nervous, and that distressing complaint, called Tic Doloreux.

DR. CHRISTIE'S
GALVANIC BRACELETS
Are found of great service in cases of Convulsions or Fits, Spasmodic Complaints, and general Nervous Affections of the Head, and are a great protection in Palsy and Paralysis, and all diseases caused by a deficiency of general or Nervous Energy in the limbs or other organs of the body.

Tic Doloreux and Neuralgia.

Those dreadful and agonizing complaints are immediately relieved by the application of the GALVANIC BELT, NECKLACE and FLUID. The first diffuses the Electricity through the system; the Necklace has a local effect, and the Fluid acts directly upon the affected surface, in those distressing affections the application NEVER FAILS.

☞ No trouble or inconvenience attends the use of DR. CHRISTIE'S GALVANIC APPARATUS, and they may be worn by the most feeble and delicate, with perfect ease and safety. In many cases the sensation attending their use is highly pleasant and agreeable. They can be sent to any part of the country.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

ROGLE'S HYPERION FLUID,
FOR RESTORING AND BEAUTIFYING THE HAIR.

The following testimonial from Professor Lewis, one of the most eminent Chemists of Boston, will show the estimation in which it is held by the scientific and learned. Its use is unattended with any danger.

BOSTON, Feb. 15, 1861.

MR. WM. ROGLE, SIR.—The preparation you introduced by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of a similar kind. Its invigorates and beautifies the hair, and does not, like *most* of the imposition, without exception, contain the slightest deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

ROGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin,—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, can stand either for the dressing case of the "rough and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner F. Barrett, Saratoga Street, East Boston:

EAST BOSTON, Feb. 8, 1847.

Mr. William Rogle,—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference.—After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion as a wash, for the purpose of restoring her lost hair, and I am happy to say that its effect has been to cause the hair to grow all over the part affected. She has used only two bottles, and that very irregularly, and she used it slower and more regular. I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

ROGLE'S HEBEAIONA,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION,

Eradicating Tans, Pimples, and other eruptions of the skin, and rendering it fair, delicate, and blooming. It is equally efficacious in protecting the skin from the hot suns of summer, and freezing blasts of winter; and is the most fragrant and salubrious article to be found at the toilet of fashion.

All the above articles have stood the test of the strictest investigation, and are WARRANTED superior to anything yet invented.

ON THE INFIRMITIES OF YOUTH & MATURITY.

SELF-PRESERVATION:

A MEDICAL TREATISE ON THE PHYSIOLOGY of MARRIAGE, and DISORDERS OF YOUTH and MATURITY, usually acquired at an early period of life, which enervate the physical and mental powers, diminish and enfeeble the natural feelings, and exhaust the energies of Manhood—with practical observations on the Treatment of Nervous Debility and Indigestion, whether arising from those causes, close study, or the Influence of Tropical Climates; Local and Constitutional Weakness, Syphilis, and all Diseases and Derangements resulting from Indiscretion.—Comprising Part I. Which the Lip is affected, illustrated by Anatomy, Physiology, and Diseases of the Reproductive Organs, explaining their structures, uses and functions, and the various injuries that are produced in them.

BY SAMUEL LA'MERT, M. D.,
No. 37, Bedford Square, London,
Doctor of Medicine, Matriculated Members of the University of Edinburgh, Licentiate of Apothecaries' Hall, London, Honorary Member of the London Hospital, Medical Society, &c.

This Work contains an accurate and complete segment of the Anatomy and Physiology of the Reproductive Organs, and of their relative conditions in health and disease. Nor are these the sole contents of the Work; every means of escape, as well as the nature of the danger, are pointed out in concise and intelligible language. It deservedly requires the closest attention and study, for what subject can be of more important moment than the preservation of health, and of the physical capabilities of which every man is naturally possessed. It unfortunately happens that the unhappy victim of excessive indulgence and various habits, whether acquired in early life, or from the follies of advanced age, while suffering from their miserable consequences, generally entertains a fear of applying to a qualified physician for relief. Shame and the dread so frequently, but erroneously, entertained, that these complaints are beyond the reach of art, and from confidence to prevent the seeking of assistance, where alone it can be procured. In acting thus, he forgets that accurate discrimination in ascertaining the causes of disease, sympathy with the sufferer, and, above all, secrecy, invariably characterize the intelligent and practical physician, and to the medical man, who can show by his possession of the requisite legal qualifications, that he is entitled to esteem and respect in his professional pursuits, the utmost confidence should be extended. Dr. LA'MERT has obtained the highest medical honors, as his diplomas testify, and the great extent of his practice for many years, is a guarantee for his professional experience, which has subsisted almost solely to the treatment of these diseases.

The Work may be had in Montreal of BENJAMIN DAWSON; in St. Johns, of H. CHESS & Co., price 3s. 6d. Sterling; Halifax, Messrs. MORTON & Co.

ST. LEON AND CAXTON SPRINGS.

MONTREAL, June 3, 1859.

For the past twelve months I have frequently recommended the Waters of the St. Leon and Caxton Springs, and have formed a favorable opinion of their efficiency as aperients in various derangements and diseases. I have found both Waters well adapted, in the generality of cases, for accomplishing all the purposes of the ordinary saline aperient draughts, over which their bottle and alkalive ingredients give them, for continued use, a superiority.

JOY TO THE BED-RIDDEN.
A REMARKABLE DISCOVERY FOR
THE INSTANT CURE OF PAIN.

RADWAY'S READY RELIEF
Cures the worst diseases in Minutes and Hours, and stops the most cruel pangs of pain in Seconds.

SO quick and efficient is RADWAY'S READY RELIEF, in stopping pain and running disease, that it has instantly realized the most astonishing results when applied from a few minutes to a few hours. It has frequently cured the worst pains of—

Rheumatism	In four hours,
Neuralgia	In twenty minutes,
Tic Doloreux	In ten minutes,
Toothache	In three seconds,
Nervous Headache	In fifteen minutes,
Sour Stomach	In five minutes,
Heart-Burn	In five minutes,
Bowel Complaints	In thirty-five minutes,
Cramps and Sprains	In twenty-five minutes,
Diarrhœa	In one hour,
Inflammation of the Bowels	In thirty minutes,
Local Inflammations	In ten minutes,
Influenza	In twelve hours,
Hoarseness	In ten hours,

Spinal Complaints, Swellings, Sores, Wounds, &c., it will remove ten times quicker than any other remedy in use.

LET THOSE WHO SUFFER TRY IT!

It will prove itself in a few minutes.

As soon as it is taken internally, or applied externally, its beneficial effects are seen. It is better than all other remedies.

HERE IS THE PROOF.

There is no other remedy that claims to subdue the cruel pangs of pain in seconds, minutes, or even hours. They require the patient to use one after once before a favorable change is promised. Not so with Radway's Ready Relief. Its effects are instantaneous; the first dose that is taken; or the first external application, commences its great work of relief from pain.

BEAR IN MIND,
That Radway's Ready Relief will cure either of the above-mentioned Diseases in one-tenth the time it takes any other Remedy to give even Partial Relief.

TAKING COLD.

This sentence is constantly in the mouth of every person, in order to explain certain complaints. Those who use it often, we think, have but a faint idea of its precise meaning. We will offer an explanation, which we believe to be the opinion of a majority of the most learned physicians. A person, for instance, has been over exerting any particular set of muscles—of the throat, from violent speaking—of the loins, by too much stooping or bending, or these or any other part of the body; these parts or muscles are, consequently, weakened and relaxed, and become a fair prey for any disease. The person who has been thus acting, accidentally or otherwise, exposes himself to the cold air, the perspiration immediately ceases, and the blood, which, but just now circulating rapidly throughout the surface of the body, is repelled inwardly, and is sure to settle in those parts which have been previously wearied and relaxed. Here, then, we have an accumulation of blood, a congestion, which gives rise to all the pain and stiffness attendant upon such complaint. When this takes place in the throat, we have what is called Sore Throat; when in the loins, Lumbago or Stiff Back; when in the chest, Pleurisy. We also have it in the shoulder-blade, side, and other parts.

RADWAY'S READY RELIEF,
Taken Internally and applied Externally.

Its first action, when freely applied, is to blunt the acute sensibilities of the nerves, and almost instantly relieves pain; its secondary action is to equalize perspiration, and unclose the parts over which it is applied almost to a glow, thereby determining the blood from the injured parts to the surface. In these cases, the READY RELIEF should be applied freely, at the same time rubbing the parts with a piece of flannel, and it will be found in every case to give immediate and permanent relief.

N. B.—If convenient, a piece of flannel saturated with the RELIEF, and laid or pinned around the parts, does good service.

A BAD COUGH CURED IN TEN MINUTES.

Mr. Rigdon, of Brooklyn, the celebrated Church Singer and Organ-Player, on the night of the 10th of December was attacked with a severe cough, so that he was congued from 9 o'clock until 12 o'clock, P. M., without three minutes intermission. One of the Clerks of Radway & Co., who sleeps in the next room, got up and gave him a tea-spoonful of the Relief in a little water, and also saturated a piece of flannel with the Relief, and laid it over his chest. In a few seconds the coughing ceased, he could expectorate freely, and raised with perfect ease. The great source of complaint for the Bronchial tubes, soothed the irritation of the throat, and removed the inflammation from the lungs, and gave free action to them, produced a free and copious perspiration of the throat and chest; and in fifteen minutes he was entirely free from pain, and sunk into a sound and refreshing sleep. In the morning he was free from hoarseness and cough, and has not been troubled since. Let every individual who is troubled with a cough, sore throat, influenza, or hoarseness, pursue the same plan, and we will warrant them a speedy cure.

LAMENESS

If you have a stiff joint, a wrenched limb, a swelled leg, a bruise, or any thing short of a broken bone, Radway's Ready Relief will cure you. The lame have been restored to the free use of their limbs by a few applications of the Relief. The cripple, who has limped from spot to spot upon his crutch, has been relieved of his painful afflictions, and enabled to stand erect, as God designed that Man should stand, by a few times using the Relief.

THE RHEUMATIC.

Who has been bed-ridden for years, shut out from the busy world, and fingered with pain upon a couch of sickness, deprived of the society of friends, and of the pleasures of life, has been raised *from a lingering death* by the soothing, healing, and pain-relieving influences of Radway's Ready Relief. In all cases of Rheumatism—even the worst cases—one trial of Radway's Ready Relief will prove its superiority over all other remedies in use.

BLEEDING AND BLIND PILES.

Are instantly eased, taking the Ready Relief internally—say a tea-spoonful of the Relief in a table-spoonful of water, and make a Cream of the Relief, by adding to it Sweet Oil, and anoint the parts affected. If the sores are very bad, take a lint of tobacco, dip it in warm water, then wet it with the Relief, and lay it on the sores, you will have immediate relief and a speedy cure.

AGE VERSUS YOUTH.

Radway's Ready Relief renews the vigor of youth in old age. The old man of seventy is invigorated by its strengthening and refreshing effects; it arouses the vital energies to life—the heavy and languid motion of the functions of the body is quickened to a healthy action—and the hitherto dull and languish old man becomes active and vigorous in old age, and his life prolonged to the full number of his days.

FOR ALL PAINS,

Whether internal or external, take Radway's Relief, or apply it externally, it will relieve pain and cure disease quicker than any remedy in the world.

RHEUMATISM CURED IN TWO HOURS.

Mr. Jones, of Clifton, Va., writes:—A lady in this place has been confined to her room for fourteen days with Rheumatism; she got purchased a bottle of Radway's Ready Relief; two hours she was able to leave the room, and in the evening she walked out.

THIS GALVANIC EMBROCATION is an unfailing remedy for the Cure of Rheumatism, Acute or Chronic, seated in the Head, Joints or Limbs; Tic Douloureux and Gout, in its severe forms, Palsy, Sciatica or King's Evil, Spinal and Hip Complaints, Stiffness of the Joints, Lumbago, Neuralgia, Chilblains; Fever Sores, Salt Rheum, Ring Worms, White Swellings, Diseases of the Skin, Erysipelas, Goitre or Thick Neck. It is likewise highly recommended in the most malignant cases of Scrofula and Scrofulous Affections of the Neck, Affections of the Spine, Mercurial Affections, &c., &c., &c.

It is now generally admitted, by the learned and scientific that the mysterious principle of Vitality or Life, and that, diseased in many of its most painful forms is entirely owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can in any way supply the deficiency, when it is the cause of disease; and this has been fully and practically examined by this most wonderful curative discovery, of combining Electricity or Galvanism with Magnetism, which has cost the Inventor of this remedy years of study and labor.

There is not an intelligent Physician, who has kept pace with the progress of science, but does not readily approve of the law of the Magnetic power in curing disease, and there is scarcely a Medical Journal, either in this country or Europe, which makes its appearance, without the statement of various cases, showing some new effects of from incidental persons, or even cases of peculiar excellence of these Principles. The inventor of the Galvanic Embrocation has great pleasure in being able to state, that a majority of the most distinguished physicians of New York constantly recommend this Remedy, and that for the cure of Rheumatism, in all its forms, it has received the kindest testimonials of approval and commendation.
