SEED WHEAT
The person advertising seed wheat with orders to be sent to H. G. Harris, has decided that there is too much risk in shipping a car of wheat from the West for delivery here. So the shipment has been cancelled. All those who have sent orders to this office and others who are continuing to inquire about this wheat will take notice that it will not arrive here. In this issue will be found an article from Committee of Farmers Association in which particulars of good Seed Wheat is given.

Oh, Yes---- Cold Cream

Never without consideration, never to be overlooked in this kind of weather. Always the delightful, desirable, dependable toilet application. In cold creams we favor that put up under our own name because made in our own laboratory from ingredients we know have best effect on dainty skins. If you have tried other cold creams and not been fully satisfied every jar of ours will spell complete satisfaction.
