To the Electors of St. Andrew's Ward.

Ladies and Gentlemen—
Having accepted the nomination for Alderman for St. Andrew's Ward, I would solicit your votes and influence.

Respectfully,
JOSEPH CARTER.

A serious accident happened to Geo. Konnonacher, of Preston, last week. While working at his pigeon house, he fell about twelve feet and was rendered unconscious. It was feared he was seriously hurt.

John Goheen was committed for trial at the Police Court, this morning before Police Magistrate Saunders of having on several occasions carnally abused Mabel Palmer, a colored girl under 16 years of age. Some five or six witnesses were examined. The Magistrate, in committing the prisoner, made a most scathing address, in which he expressed the hope that if found guilty, the judge would pronounce a severe sentence on the wretch.
