The Heiress.

Here that wicked sunbeam, with a de-pravity unlooked for, falling straight through the chink of the umbrella into Mr. Luttrell's eye, maddens him to such ta degree that he rises precipitately, shuts the cause of his misfortunes with a bang and turns on Molly.

"Nonsense!" returns Molly, unmoved.
It is delicious here, and I won't stir.
How can you talk in that wild way

eautiful apple-tree right over your head?

beautiful apple-tree right over your head?
Come and sit at this side; perlaps," with a smile, "you will teel more comfortable—next to me?"
Thus beguiled, he yields, and seats himself beside her—very much beside her—and reconciles himself to his fate.
"I wish you would remember," she says, presently, "that you have nothing on your head. I would not be rash if I were you. Take my advice and open the umbrella again, or you will assuredly be having a sunstroke."

"Ully eight montlis." He says this with a full consciousness of his own virtue.
"I callfive hundred and fifty pounds a year a great deal," says Molly, with a faint ring of disappointment in her tone. "I fancied you downright poor from what you said. Why, you might marry to morrow morning on that."
"So I might," agrees he, eagerly; and so I will. That is, not to-morrow exactly, ut as soon as ever I can."
"Perhaps you will," says Molly, slowly; "the will not be me you will marry. Bear that in mind. No, we leave the sound of the pounds a proposition of the pounds and the proposition of the proposition of the proposition of the proposition."
"I will reight montlis." He says this with a full consciousness of his own virtue.
"I callfive hundred and fifty pounds a year a great deal," says Molly, with a faint ring of disappointment in her tone. "I fancied you downright poor from what you said. Why, you might more tone." I fancied you said. Why, you might more tone. "So I might," agree she, eagerly; and so I will. That is, not to-morrow exactly, ut as soon as ever I can."

ing up into his eyes slays the chagn that still lingers there, but half perdu. "And—are you happy?"

Potts suggested military races, and we all caught at it. And—and I didn't have much luck, you know," winds up Lutterst Royal and its inmates. First, is it a pretty place?"

Potts suggested military races, and we all caught at it. And—and I didn't have much luck, you know," winds up Lutterst Royal and its inmates. First, is it a pretty place?"

Molly, severely. "You are allowed."

"Am I better-looking?"

"Ten thousand times."
"And Philip Shadwell; he is my lso. Do you know him?"
"Very intimately. He is har

"Marcia is the girl you ought to have fallen in love with, Ted."
"No, thank you; I very much prefer her cousin. Besides, I should have no chance, as she and Philip are engaged to each other; they thought it a pity to divide the twenty thousand pounds a year. Do you know, Molly, I never knew what it was to covet my neighbor's goods until I met you? so you have that to answer for; but it does seem hard to answer for; but it does seem hard stat one man should be so rich, and an a terrible co

"Very. Will that make you like me less?"

"Probably it will make me like you more," replues she, with a bewitching smile, stroking down the hand that supports the obnoxious umbrella (the other is supporting harself) almost tenderly, "It is only the nicest men that haven't a farthing in the world. I have no money either, and if I had I could not keep it; so we are well met."

"But think what a bad match you are making," says he, regarding her curious ly. "Did you never ask yourself whether I am well off, or otherwise?"

"Never!" with a gay laugh. "If I were going to marry you next week or so, is gapes and all other diseases of chicken choirers, roup, gapes and all other diseases of chicken.

out warning, and generally manage to forget the extra dance they had promised, while their. mothers look upon me, and "I won't hold it up another instant," he says: "you needn't think it. I wonder Massareene wouldn't keep a decent umbrella in his hall."

"What's the matter with it? I see nothing indecent about it: I think it a very charming umbrella," asys Molly examining the article in question with a critical eye.

"Well, at all events." wery charming umbreita, says atoly examining the article in question with a critical eye.

"Well, at all events, this orchard is oppressive. If you don't want to kill the, you will leave it, and come to the wood, where we may know what shade wood, where we may know what shade the wood, where we may know what shade the wood.

HAVE YOU TRIED IT?-If so you fy to its marvellous powers of h

and—nee I is say?—the family friend is concerned it doesn't admit of argument.
Then recurring to the former tops of the form

in | pounds a year ?" "It ought to be six hundred and fifty pounds, but I thought it a pity to burden myself with superfluous wealth in my palmy days, so I got rid of it" says he,

"Well, yes, I suppose so."
"Cards?"
"No, horses. It was in India—stupid

lierst Royal and its innastes. First, is it a pretty place?"

"It is a magnificent place. But for its attractions, and his twenty thousand pounds a year, I don't believe your grantfather would be known by any one; he is out of mischrel. He is the head and font of every offence."

"Are you talking of Potts:" asys her of society, and is never content until has the house crammed with people, from garret to basement, to whom hankes himself odiously diagreed with environment. "A better force occasion offers. I have an invitation there for September and October."

"Will you go?"

"Id on't know. I have hardly made up my mind. I have been asked to the Careys, and the Brownes also; and I rather fancy the Brownes. They are the most affording people I ever met; one always puts in such a good time at their place. But for one reason, I would go there."

"What reason?"

"What reason?"

"What reason?"

"What reason?"

"Oh, would I not? cries Molly, her faultless face lighting up at his words."

"Poor man," kindly; "I forgive him his small aims: he must be sufficiently punchaps, if I came over once or twice, you would be glad to see me?"

"Oh, would I not? cries Molly, her faultless face lighting up at his words fellows have joined with quite too much the lines drayer about them to by toler face lighting up at his words fellows have joined with quite too much the lines drayer about them to by toler face ighting up at his words fellows have joined with quite too much farcia?"

"One firm in Newark, N. J., makes 150, 000,000 corkscrews in a year. We don't he downly a first the head and font of nevery force."

"Are you fall he he head and font of every offence."

"Are you talking of Potts:" asys her tove; in grieved amazement. "A bette head and font of society. What. A Stafford, Shedden, Ont. To word the probably dependent of the probably dependent of

Iso, but of a dark Moorish sort of beauty.

Not a popular man, by any means. Too reserved—cold—I don't know what it is.

If ave you any other cousins?"

What's in a name?" with a laugh.

"What's in a name?" with a laugh.

"He was generally called Mrs. Luttrell, where so much together: so his own wissed Penthony tafford awfully."

"And Mrs. Penthony; did you like bon, ind., says: "Both myself and wife owe our lives to SHILOH'S CONSUMPTION CURE."

much of, while I am not even recognized.
Does it not sound unfair?"

"Unaccountable. Especially as I have often heard your mother was his favorite child!"

"Perhaps that explains his harshness. To be deceived by one we love eagenders the bitterest hatred of all. And yet how could he hate poor mamma? John says she had the most beautiful, lorable face."

"I can well believe it," replies he, gain gwith undiaguised admiration upon the perfect profile beside him.

"And Marcia will be an heiress, I suppose?"

"She and Philip will divide every thing, people say, the place, of course, going to Philip. Lucky he! Any one might then yo him. You know they both live there entirely, although Marcia's mother is alive and resides somewhere abroad and. Philip was in some dragoon regiment, but sold out about two years ago, debt I fancy, was the cause, or something like it."

"Marcia is the girl you ought to have a way the place of course, going to Philip was in some dragoon regiment, but sold out about two years ago, debt I fancy, was the cause, or something like it."
