all remain just as they were!

#### THE MASS-MEETING LAST NIGHT.

WE need not here go into the details of last evening's mass meetin this matter-some are irreverent vitality, now waning till it scarce

meeting in this way when they Brown's own version of the assault. honestly believe in their hearts in brief, may not be uninteresting: that what they are doing is for the good of their fellow men; and how- door. He was told to come in. ever much we may be disposed to entered, and proceeded to shut the question the propriety of preventdoor after him. Mr. Brown stopped that Mr. Lawlor could not induce him and asked him what he wanted. his bondsmen to sign security for ing the drinking of liquor by law, yet we can't but be edified when we see men of pure and exemplary lives throwing themselves heart and soul into this work. We might in this connexion mention men like Captain Sypher and others, whom we have in our mind. One can't but be impressed with the exhortations of men whose private characters adorn their own firesides and the social circle, and who, preaching the rights of temperance of the department for the certificate, as he was not aware of the length of his services. Bennet replied that the head of the department would not give it to him. Mr. Brown then told him he should apply to Mr. Henning, the treasurer of the company, who had the books, and tell how long he had been employed. Bennet pressed the paper ing the virtue of temperance, employed. Bennet pressed the paper upon Mr. Brown, and asked him to consider it as only one gem in the moral crown, and speak of it most because it is most disregarded.
We have not the slightest doubt but Captain Syphers and the other co-workers of his on whom we have our eye and who exhort the people

Mr. Brown continued to refuse, when Bennett began fumbling apparently at his pistol pocket, whereupon it passed through Mr Brown's mind, as he himself said, 'that the little wretch might be meaning to shoot me.' He got the

Corncil with being in league with the assumed liquor sellers of this city, but while we think a good ing a slanting direction, and escaping many of the Council not above about four inches below and towards the very lowest of dealings, yet we doubt very much if Mr. McLeod is not very much astray.

McLeod is not very much astray.

McLeod is not very much astray. is acknowledged to be the law, no matter how tyrannical it may be, or how contrary to the spirit of all British law, we are bound to respect it; and the officers appointed the property of the officers appointed to the property of the many was arrived to the pistol from the grasp, and then walked into the property of th

such depraved persons go: but let the minions of the law keep their eyes to the floor after it passed through Mr to the floor open for such places, let them have no mercy but drag the offenders carpet in his room, several feet from hands on a beet. The time was from their hideous resorts into the

ment, that we coax ourselves to had an iron frame but he had of the members?"

Advertising rates (outside the transient devertisements) payable every three months.

Mr Lugtin says any man may make a charge against a rumseller, and piece of work is man!"

Truly has it been said "What a piece of work is man!" tising contracts, after the time agreed upon, must be given in writing; else all continued "ads" will be charged at the regular rates.

no one need know who the informer is. It is degrading to MrLugrin's profession, that anyone suffered to the nation. He had not many warm The advertiging rates in the Weekly Star are the same as those of the Tri-Weekly.

Special arrangements, may be made with the Editor or Publisher, at the office sterling's Building, (up stairs,) Corner Queen and Regent Streets.

Subscribers who do not receive their papers promptly and regularly will please send in word to the office.

Profession, that anyone suffered to to wear the gown should be an exponent for such a rascally provision. A rumseller may be a bete noir, he may be the most contemtible of men, but he is nevertheless a man, and here, a British subject. And being a British subject the one side to his nature, those send in word to the office. if any man can come for means lacking in human sympa Tuesday, Thursday and Saturday wardand prefera charge against him thies. Individuality, such a rare evenings from the Office, corner of Queen and Regent Streets.

Terms: \$2.50 per annum, payable in British law provides that he who for there was little in private or advance.

Address "STAR," Fredericton.

This paper may be found on file at Geo.

P. Rowell & Co.'s Newspaper Advertising Bureau (10 Spruce St.), where advertising contracts may be made for it in New York.

The latest that had not either been approved or thought of by himself. He and Mr Mackenzie were about the two most stubborn benious charge against an innocent scotchmen that ever breathed, and they were about the two most stubborn benious charge against an innocent scotchmen that ever breathed, and they were as much alike in private of public right that had not either been approved or thought of by himself. He and Mr Mackenzie were about the two most stubborn benious charge against an innocent scotchmen that ever breathed, and they were as much alike in private of public right that had not either been approved or thought of by himself. He and Mr Mackenzie were about the two most stubborn benious charge against an innocent benefit and the who is charged may know who so charges him. And this for the best of reasons. Some malicious person else, might go and make some henious charge against an innocent benefit and the who is charged may know who so charges him. And this for the best of reasons. Some malicious person else, might go and make some henious charge against an innocent benefit and the who is charged may know who so charges him. And this for the best of reasons. ments in the Weekly Star at our best jured man has no satisfaction, but were his prosecutor before him, he might in turn sue for defamation.

We was not so massive as Mr Brown's, nor was it of so original a character, but what Estat. The most notorious robber, and the the latter lacked in this respect he midnight murderer is entitled to the made up by practical tact. Mr should'nt the rumseller?

The old man is gone, and with all Among the first asking for this, will his self-will and hard-headedness. we would if we could reclaim him from the "vasty deep;" but as he is now at that bourne whence no traveller returns, let his virtues shine and form a circlet of glittering gems to his memory, and let us shine him, throw the pall over those SEELY & M'MILLAN was human. Requiescat in pace.

CONTRACTOR LAWLOR.

MR. LAWLOR the Contractor of the Parliament Buildings, has not returned yet, and it is the opinion of a good many, that like the first bird sent out from the Ark, he will not return. It is stated further his bondsmen to sign security for him, and this is given as a reason for his delay. It is also reported the Provincial Secretary has telegraphed him that a prompt appearance in Fredericton is desirable. Suppose Mr. Lawlor does not through some disability take the contract, the Government should not give it to the next highest, but call for new tenders, insisting on a torfeit sum to be deposited with each tender.

MR. BRADLAUGH.

A gentleman who is thoroughly versed himself in making mistakes. assures us we made a "great blunder" in stating in our last that Gladstone wanted to swear the Infidel Bradlaugh into the British Cabinet. The making of these mistakes in a printing office is a science that nobody but the Editor and the printer understands, so that we have no notion at all of condescending to explanation. We may say however, that the STAR printer only wanted to get Bradlaugh into the Cabinet, but the News printer If the statement be true, it is the most shameful act that the Council has yet been guilty of: for having a law upon our books, so long as it is cohoranteed to be the law actually made a Knight of him! It would be interesting at any rate, to know really how much this most obliging critic knows about the Infidel housed as weather the law printer against the glass partition of the waiting room, at the would be interesting at any rate, to know really how much this most obliging critic knows about the Infidel housed as weather. fidel, beyond sympathizing largely in his belief!

### A MELANCHOLY CASE.

The St. John Telegraph is at last in possession of "reliable information about the sugar beet industry." If the Telegraph have a chiefly at keeping liquor from those who, notwithstanding the fact that he had already received one shot, held on who drinking it, (gorging them-who drinking it, (gorging them-selves,)go out in the gutter and lie selves,)go out in the gutter and lie are came and le was over-powered. The services of an officer having been literature pertaining to sugar beets.

Yet this vented from cocking it by far. Brown, dustry. If the received and dustry. If the received a dustry a dustry a dustry. If the received a dustry family physician that gentleman JOHN B. GRIEVES, Prop. Telegraph's hands.

He ought to remove anything when this subject was one that we could all joke the Telegraph

of every manly and decent ele- is a consequence of it. The man as the Times condemn the inactivity
