Free Distribution of

Seed Grain and Potatoes

We have received the following from J. H. Grisdale, Director Dominion Experimental farms:

By the instructions of the Hon. Minister of Agriculture a distribution of superior sorts of grain and potatoes will be made during the coming winter and spring to Canadian farmers. The samples for general distribution will consist of spring wheat (about 5 lbs.) white oats (about 4 lbs.) barley (about 5 lbs.) and field peas (about 5 lbs.). These will be sent out from Ottawa.

A distribution of potatoes in samples of about 3 lbs. will be carried from

several of the experimental farms, the Central Farm at Ottawa supplying only the provinces of Ontario and Quebec. All samples will be sent free by mail. Only one sample of grain and one of potatoes can be sent to each farm. As the supply of seed is limited, farmers are advised to apply early. Requests received after the end of December will probably be too late. Anyone desiring a sample should write (post free) to the Dominion Cerealists, Experimental Farm, Ottawa, for an application blank.

Now that the blueberry crop has been harvested, we don't care how soon fall sets in.
