The Canadian Ensign is waving proudly over the City Hall to-day in honor of it being the fourth anniversary of the first Battle of Ypres.

Major Chas. Vandesluis of Niagara Falls, Ont., is home after four years distinguished service for which he has received special honors. The Major, who was formerly a captain in the 44th West-Ind Regiment, has many friends in this city who will be pleased to hear of his return and honors.

A number of the members of the public School Board were present on Saturday when the plans for the new schools were opened. It is said that the plans of the local architect, A. E. Nicholson, were favorably considered by the members present.

Mr. R. S. Burrell of Pittsburgh who was visiting in the city over Easter spoke to the members of the Public School Board on Saturday night on Playgrounds. Mr. Burrell has charge of all the public play grounds of Pittsburgh as well as having under his supervision all the public school athletics. As the local board intend spending a considerable sum of money on equipment this spring Mr. Burrell gave them an outline on what the best methods would be to install what is purchased. It is likely the board will consider the information given.

**FUNERAL OF MRS. JOHN S. COLE**

All that was mortal of the late Sarah Darling, beloved wife of John S. Cole, of Monmouth Road, Walkerville, who passed away very peacefully on Friday last, was tenderly laid to rest in Victoria Lawn Cemetery, St. Catharines, on Monday afternoon. The funeral which was very largely attended by friends was held from the home of her parents, Mr. and Mrs. James Darling, where she was remaining a few weeks surviving a severe operation which she had had performed at the General and Marine hospital a few weeks ago. After a private service was held at the house conducted by Rev. H. L. A. Almon, the casket was removed to St. James Church, where previous to her marriage she was a valuable member. Rev. H. L. A. Almon rector of the church officiated and gave a very comforting sermon to the sorrowing relatives who are left to mourn the loss of one who was so loved, not only by neighbors but by the entire community. He took his text from the 46th psalm, st. and 7th verses, "God in time of trouble." The choir of the church was present, and rendered two specially favourite hymns of the deceased, "Safe in the arms of Jesus" and "Nearer my God to Thee," after which the funeral procession made its way to the cemetery where the remains were placed in their last resting place. The service at the grave was under the auspices of the Prince Louise Lodge, L. T. B. No. 2, and was conducted by Mrs. William Holland, Worshipful Mistress and Mrs. A. K. Brennan, Chaplin. Those who conveyed the casket were three brothers, Robert, Richard and John Darling, one cousin, William Darling, one brother-in-law, W. A. Logan and Richard Tether. The floral tributes placed upon and around the casket were many and beautiful, bearing silent testimony of the high respect and love held for the late Mrs. Cole during her walk of life.

**Bringing Our Soldiers' Dependents to Canada**

IN England, there is a colony of Canadian women who went overseas in order to be near their husbands. There are also in England and France many women who married Canadian soldiers and have never seen Canada.

It is one of the duties that Canada has incurred through the war to bring back these dependents of our soldiers with all speed, and to help establish their home life.

Up till the time the Armistice was signed, some 22,000 women and children were returned. There still remain about 50,000 to be brought back.

These 50,000 soldiers' dependents will be returned to Canada at the public expense. Those who have already arrived in Canada since November 11th, 1918, will have their ocean and railway fare refunded by the Government.

The facilities for transporting soldiers and their dependents are limited to about 30,000 monthly. Therefore, women and children will be returned to Canada at the rate of about 5,000 to 7,000 each month. Many of the women will be accompanied by their husbands. On every boat carrying 200 or more unaccompanied women there is a Y.W.C.A. secretary.

**At the Ports:**  
To these 50,000 returning women and children every care is being given. Until they reach the shores of Canada they are in charge of the Overseas Militia Department.

At HALIFAX they are welcomed by the Women's Reception Committee, composed of women who have been engaged in war activities. This committee has been organized for nearly two years and has been doing splendid work.

At ST. JOHN there is also a committee representing all the organizations interested. This committee, although more recently formed, is giving excellent service. The National Y.W.C.A. has assigned two secretaries for work at this port.

On each of these Committees there is a trained nurse to give necessary attendance.

At the ports the organizations meet every boat. Locate the women's luggage. Take charge of the babies. Bring the women to a cosy rest room. Here cots and baths are provided for the children. Hot lunch can be secured. Overnight accommodation is arranged. Women who are too sick to proceed on their journey are taken to the local hospitals. Women who are without

money receive assistance from the Patriotic Fund; are provided with lunch baskets and money to buy meals on the train.

These organizations also secure the railroad tickets for the women, get their money changed, give them such information as they need. The workers accompany the women to the train.

The Repatriation Committee have a nurse, trained in social work, lent by the Victorian Order of Nurses to act as the committee's representative at each port.

**On the Train.**  
On each train carrying unaccompanied women and children there is a Red Cross nurse, experienced in social service who has been enrolled by the Canadian Association of Graduate Nurses. This nurse carries with her first aid supplies and an emergency fund of money, furnished by the Red Cross Society.

Telegrams are sent ahead to the local branch of the Patriotic Fund and to the local Reception Committees giving the number who will arrive.

**On Arrival.**  
The Rotary Clubs of Canada have undertaken to provide motor cars to take the women and children from the station to their homes.

The Patriotic Fund have undertaken to provide temporary accommodation and other necessary assistance at cities and towns en route and at points of destination.

The main function of this nation-wide organization is to care for soldiers' dependents. It is therefore fitting that they should be responsible for arrangements for all the returning women and children.

Many other well-known organizations have been doing admirable work—meeting trains, providing rest-rooms, canteens and hostels and generally caring for the women and children. It is important that these organizations continue this work and co-operate as closely as possible with the Patriotic Fund.
