POLICY OF FARMERS

FAVORS AN ELECTION

HON. MR. CRERAR

OTTAWA, March 5.—Hon. T. A.

Crerar, in unequivocal language, last
night proclaimed in the Commons the
policy of the Farmers' movement in
Canada. At the same time he put him-
self on record as favoring the hold-
ing of an immediate general election
declaring that he and his followers
in the House would vote in favor of
the Liberal amendment to the Ad-
dress in reply to the Speech from
the Throne, calling for the dissolu-
tion of Parliament.

Then the Vote Is Postponed.

It was the intention early in the
evening to take a vote on the amend-
ment last night, but at a late hour
it was decided to postpone the divi-
sion until next Tuesday. Although
there are twelve occupants of cross
benches in addition to the Liberals
who will support the amendment, it
is said that the Government majority
will likely be 30 to 35.

While it was not the desire of the
Farmers' party to sweep away the
high tariff at one blow, Hon. Mr. Crer-
ar explained that the tax on im-
plements used in production and on
necessaries of life should be remov-
ed, and there should be a general
revision of the tariff. The tax on
luxuries should be boosted to prob-
ably 50 per cent. of their value. At
the same time an excise duty should
be imposed on luxuries manufactur-
ed in Canada. "Protection," the Far-
mer Chief declared, "is nothing
more or less than a form of Statist
Socialism."

Speaker Warns Against Fiscal

Discussion.

This was a big day for those who
occupy cross benches in the House.
If there were any previous doubts, it
became evident as the debate proceed-
ed that there will be a great struggle
when the debate comes on the Budget
Speaker Rhodes yesterday cautioned
the members not to stray from the
matter before the House, and to eli-
minate fiscal discussions.

The subject continued to crop up in
almost every address.

GORKY EXPRESSES

DISAPPOINTMENT

IN BOLSHIEVISM

STOCKHOLM, March 5.—Bitter
disappointment with Bolshevism is
expressed in an article recently pub-
lished by Maxim Gorky, the Russian
radical, according to a Helsingfors
despatch to the Tidningen of this
city.

"The revolution has not been fol-
lowed by any spiritual revival," the
article is said to declare, "and has
proved itself, unable to make men
more honest. Men in power now are
just as brutal as those in authority
under the imperial regime and send
many men to prison. Bolshevik lead-
ers, driven by ambition, are perform-
ing experiments upon living people
especially the working classes."

AN AVIATOR WILL

GUARD THE BORDER

NIAGARA FALLS, March 5.—Paul
R. Moore, aviator who served with
the Royal Air force in England dur-
ing the war, an American by birth,
was today sworn in as a member of
the customs force of this port.

He will patrol the border with his
aeroplane during the fair weather and
will be available for other duty per-
taining to his office.

PUT CREAM IN NOSE

AND STOP CATARRH

Tells How To Open Clogged
Nostrils and End Head Colds.

You feel fine in a few moments.
Your cold in head or catarrh will be
gone. Your clogged nostrils will open.
The air passages of your head will
clear and you can breathe freely. No
more dullness, headache, no hawk-
ing, snuffling, mucous discharges or
dryness now struggling for breath at
night.

Tell your druggist you want a small
bottle of Ely's Cream Balm. Apply a
little of this fragrant, antiseptic
cream in your nostrils, let it penetrate
through every air passage of the head,
soothe and heal the swollen, inflamed
mucous membrane, and relief comes
instantly.

It is just what every cold and cat-
arrh sufferer needs. Don't stay stuff-
ed-up and miserable.

Pale, Wan Cheeks

A Sign of Anaemia

To Have Good Color and Health the

Blood Must Be Kept Red and Pure.

Many women who had good color
and bright eyes in their girlhood
grow pale and colorless and lose
much of their charm when they be-
come wives and mothers. Why is it?
When the fading color in the cheeks
and lips is accompanied by a loss of
brightness in the eyes and an in-
creasing heaviness in the step and a
tendency to tire easily, the cause is
to be sought in the state of the blood.

Many causes may contribute to the
condition of the blood known as an-
aemia. Care of the home, overwork,
lack of outdoor exercise, insufficient
rest and sleep, improper diet, are a
few of them. The important thing is
to restore the blood, to build it up so
that the color will return to the
cheeks and lips, brightness to the
eyes and lightness to the step. To
do this, nothing can equal Dr. Wil-
liams' Pink Pills. They begin at once
to increase the red corpuscles in the
blood and this new blood carries
strength and health to every part of
the body. The appetite improves, di-
gestion becomes perfect, and energy
and ambition return. Proof is given
in the statement of Mrs. Alex. Arch-
ambo, Cornwall, Ont., who says:—

"Two years ago my health began to
fail. I was suffering from headaches,
pains in the back and sides, and a
constant tired out feeling. I had used
a lot of medicine, but instead of it
helping me I seemed to be growing
weaker. My friends urged me to try
Dr. Williams' Pink Pills, and while I
felt disheartened at my experience
with other medicines I decided to do
so. To my great joy I soon found the
pills were helping me, and their con-
tinued use for a time fully restored
my health. I feel that I would be un-

grateful if I did not give my experi-
ence with Dr. Williams' Pink Pills in
the hope that it may point the way
to health to some other poor suffer-
er."

Dr. Williams' Pink Pills can be ob-
tained through any medicine dealer,
or may be had by mail, post paid, at
50 cents a box or six boxes for \$2.50

from The Dr. Williams' Medicine Co.,
Brockville, Ont.

DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION,

BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DIS-

EASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS.

The knowledge gained from many years' experience in treating diseases just like yours is of much benefit
to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that
he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient
the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered
specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION

A CONDITION AFFECTING MANY MEN—THE GREAT AM-
ERICAN DISEASE—IT IS BROUGHT ON BY OUR MAN-
NER OF LIVING—OUR WORRY AND HURRY—AMERI-
CANS EXHAUST MORE NERVOUS ENERGY THAN ANY
OTHER RACE OF PEOPLE.

There are a great many men who need treatment for their
nervous system. These men do not know what is the reason they
don't feel right—why they can't work like they used to—why they
tire so easily and why they are irritable, nervous, despondent,
weak, pale and lack ambition. These conditions require the ex-
pert knowledge and treatment of a specialist who has had many
years' experience in just such ailments. A specialist learns by
experience to know just the right treatment at the right time so
that the patient can be dismissed at the earliest possible time. Man
affected with nervous exhaustion have no endurance—no ambition
—everything they attempt is an effort. Life to them appears as a
long, gloomy future. Their appetite is poor and variable—they be-
come irritable, cross and discouraged. They have pains and aches
in various parts of the body and there is often indigestion and
pains in the stomach. Sleepless, wakeful and restless nights fol-
low.

RHEUMATIC AILMENTS

SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO,

PAINS IN BACK, SWELLING, ACHING, PAINFUL

CONDITIONS IN ANY PART OF THE BODY—INFLAMED

AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY

OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumat-
ism. Many of these men go from day to day suffering untold agonies
thinking they cannot be cured. They have tried liniments, rub-
bing, massage, salts and other treatments without experiencing
any relief, and they are now going through life thinking they
are martyrs to that burden called Rheumatism. If these men could
only know how easy it is to get rid of many rheumatic conditions
I know they would not suffer another single day. Then all suf-
ferers of rheumatism would be strong and healthy if they could
get rid of the condition. Rheumatic patients are nearly all strong
and robust before being attacked by this ailment, and therefore
it is so hard for the man to understand why he should suffer the
agonies of such a condition. When a man gets rid of such a condi-
tion he feels that a heavy burden has been lifted from his life, and
he starts right out to make up for lost time both in money and
pleasure. When a man comes to my office suffering with the
above condition he is given a most careful examination, and he is
given treatment that he feels is giving him great benefit.

Quick and Lasting Results Assured the Ailing Man
