Indigestion

Dyspepsia Means Slow Starvation. Let those who have Experienced with Doubtful Remedies turn to-day to Dr. Hamilton's Pills. And be Cured Quickly. By the testimony of actual cures by the words of those who have proved the merit of Dr. Hamilton's Pills, you can satisfy yourself that indigestion and dyspepsia are curable. "Four years ago I got into a condition of low health—suffered all possible torture with acute indigestion, wind on the stomach and dizzy headaches. The very smell of food often was sufficient to make me violently ill. Energy was gradually fading away, I no longer had any desire for work or for the company of other people and was in the depths of despair. Wore naryrdom brain and body could not suffer, and live. I used so many remedies without success that I was in poor hopes of getting relief when I started on Dr. Hamilton's Pills. In a month I noticed a slight improvement and kept right on using one pill every second night. In a month I was another man; looked ruddy, strong, hearty, and I felt as if I had been made new. Four years have gone by and I still rely on Dr. Hamilton's Pills and attribute to their power my present condition of robust health. (Signed) H. P. ROCKFORD. R. ECKFORD, P. O. Be advised and test Dr. Hamilton's Pills, which for years have been the standard remedy for Dyspepsia, Indigestion, Heartburn, Constipation, Flatulence, Headache, Backache, and all kidney, liver and bladder troubles. These diseases are all thoroughly cured by Dr. Hamilton's Pills. 25c. per box or five for \$1.00, at all dealers or the Cattarrhone Co., Kingston, Ont.

The Nereus Disaster.

The widow and family of the late Wm. Frampion who was lost in the Nereus with Alexander Forward, are not in the best of circumstances, and we feel assured that it is only requisite to remind the charitable people of the city that such is the case to impel them to lend a helping hand to tend them over the winter. It is sad to contemplate a deserving wife and little children being so suddenly deprived of a good husband and father and under such pathetic circumstances. Already something has been done and all praise is due to those who have been instrumental in helping those stricken ones, but more could be accomplished if the effort were made, it has been suggested that if Messrs. Oppelt and Olsen again wrestle that some of the proceeds should be devoted to the family and also to the two little forward girls. This suggestion is a good one, and if the match materializes we feel assured that both these gentlemen will be willing to help. Private contributions in goods and cash would be gratefully acknowledged and it would also be a charitable act if the Nickels and the theatrical companies now performing here would give benefits for the family.

Had Eczema In Both Legs

Remarkable cure of Chronic Eczema by use of DR. CHASE'S OINTMENT. You could scarcely imagine a more severe test of this ointment than the cure of Mrs. Clark recorded here. For twenty years she suffered all the tortures of this terrible disease and tried in vain the prescriptions of doctors and the cures commonly recommended. Mr. Fred W. Clark, Petworth, Ont., writes: "My mother had Eczema in both legs for about 20 years and suffered from the dreadful itching, stinging sensations which can never be described. She doctor and treated everything for it but got no relief until she used Dr. Chase's Ointment which was recommended to her by a friend. She found that this brought relief and by continuing its use has been cured of Eczema. I do not think any one could have this horrible disease any worse than she did and can recommend Dr. Chase's Ointment as a thorough cure for Eczema."
