At Haymarket Store we are always up to date and "Excellor" flour is our leader. W. E. Burns.—apr. 21, 1911.

**NO NEW CASES.**—The sealer, who are now in the observation hospital, having been transferred from the South Side, are all well and no new cases of smallpox have developed amongst them.

#### Can't Rebuild Stages.

The people of Torbay and neighbourhood who have had their stages and flakes swept away are in a quandary as to how they will prosecute the next season's fishery. They have no material out, and as the snow is pretty well all melted cannot get into the woods to cut shores, longers, etc., to rebuild their stages and flakes. Here is an opportunity for the Government to give practical illustration of their vaunted solicitude for the fishermen by helping them to restore their property. They will be watched by the public, but these unfortunate fishermen expect little aid from the "Picnic Party" owing to their (fishermen's) adhesion to the Liberal cause, and well they are aware that Govt. are too busy throwing out money in sops to heeled and sycophants to give much heed to them.

#### No Drinking Water.

The people of that part of the South Side, west of the Long Bridge, complain that they are utterly neglected in the matter of drinking water. There are no water mains there and they are forced to use what comes off the hill which is often polluted and practically unfit for use. They hope the Council will soon attend to this matter and thereby prevent a possible outbreak of disease.

#### Will Stay Out.

The general impression amongst old-time sealers is that the sealing steamers now at the icefields will remain until close time in the hope of picking up a trip of old fat. Old seals have been reported in great numbers, and if they could be got on the ice while closely packed, in fine weather, good fares could be procured. They cannot kill after May 1st.

#### Narrowly Escaped Being Drowned.

A man named Murphy, of Torbay, narrowly escaped being washed off the rocks and drowned there yesterday while trying to save some of the material belonging to his stage which was swept away by the sea on Wednesday. A high sea is still running here, and the man was swept from the rocks on which he worked into the water. Fortunately a comrade was near and thrusting a boat hook into his clothing got him ashore after a desperate struggle. Murphy when rescued was exhausted and chilled from his immersion.

There will be a School Entertainment in the Methodist College Hall, on a Tuesday evening, April 25th. The most attractive feature of the evening will be the presence of the Methodist Guards Band which will play for promenading.—apr. 22, 1911.

#### Post for Dr. Robertson

Ottawa, April 4.—Since the announcement of the appointment of J. I. Grisdale to the position of director of Dominion experimental farms, speculation has been active as to what will be the nature of the appointment of Dr. W. J. Robertson, now chairman of the Technical Education Committee.

It has been known for some time that the Government does not intend to let his services slip out of reach, and he was rumored as the probable appointee of the farm directorship. It is hinted in Government circles, however, that he is in line for something bigger, probably commissioner of Dominion agriculture, a new post.

At present the Department of Agriculture includes branches diverse from that industry, such as patents, health, Dominion archives, census, ranch, and registrar of trade and commerce. It is said that Dr. Robertson may be placed at the head of the purely agricultural branches, and the others put under the management of the present Deputy Minister of Agriculture.

#### Sciatic Rheumatism

Unable to work or sleep—Six years of suffering—Cured by DR. A. W. CHASE'S NERVE FOOD.

Mr. Alex. Ethier, Jr., Clarence Creek, Russell Co., Ont., writes:—"My nervous system was run down to such an extent that I suffered a great deal from weakness of the nerves and sciatic rheumatism, and at times was like one paralyzed. I could not work, was unable to sleep, and had no appetite."

"Nothing seemed to build up my nerves until I made use of Dr. Chase's Nerve Food. After having used about \$12.00 worth of this medicine I feel like a new man. I can walk all right, do a great deal of work, have a good appetite and sleep well every night."

When you have tired of experiments you can turn to Dr. A. W. Chase's Nerve Food knowing that persistent treatment is bound to be rewarded with lasting beneficial results. But you must get the genuine, bearing portrait and signature of A. W. Chase, M. D. 50 cts. at all dealers or Edmundson, Bates & Co., Toronto. Write for free copy of Dr. Chase's Recipes.

#### Anniversary Service.

George St. Sunday School will hold its anniversary services in the Church on Sunday. Owing to the enlargement of the Church there will be seating capacity for all the Church members, as well as the School and friends. Let all the parents and friends be present with the officers and scholars, and fill the Church to its utmost capacity.

The scholars and teachers will assemble in the school in the morning at 10.30; in the afternoon at 2.15; and in the evening at 6 o'clock. It is most desirable that every teacher and officer be present on time, so as to help in arranging the scholars in their places. The morning service will be conducted by the Rev. F. Matthews, B.A.; the afternoon by Mr. Geo. Gushue. The Rev. J. Thackeray will address the school. Special blackboard exercises by Mrs. Kenneth Barnes. The evening services will be interspersed with exercises by the scholars. Special hymns by the choir and the following scholars. In the morning by Mr. H. Courtenay; in the afternoon Miss Christian and Mr. Hedley Tuff; in the evening Miss Russell. The young men of the A. B. C. have been requested to attend in full force, occupying the eastern gallery, and will render that beautiful, soul-stirring hymn, "The Man of Galilee."

The young women will occupy the west gallery. The pew holders in these galleries will be accommodated with seats in the body of the church. Let not one member of the congregation or friend be absent from any one service during the day. Collection in aid of Sunday School Work.—Com.
