A Clean Man

scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood

Dr. Pierce's Golden Medical Discovery prevents these diseases. It makes a man's insides clean

and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs.

Constitution is the most unclean uncteanliness. Dr. Pierce's Pleasant Pellets ours is. They never gripe. Easy to take as candy.
