**Spinning Tops at \$200?**

Seems expensive for a small child's toy, but a little  
to's daddy recently tripped on a top at the head  
of a stairway and when he arrived at the bottom  
he had a dislocated shoulder and a fractured fore-  
arm.

Summed up, this Company gave him \$200 for his  
his eight weeks' disability and the toy is on dis-  
play in our Home Office.

**STAFFORD'S  
Sarsaparilla  
Blood Purifier**

FOR THE CURE OF

Skin Diseases, Anemia, Lack of Blood, Paleness,  
Impure Blood, Lack of Ambition and Vigor,  
Debility, Weakness, Tired Feeling, Boils,  
Pimples, etc.

**THERE** is no Remedy of more universal application than a  
genuine true-and-tried Blood Purifier and Blood Builder.  
A medicinal preparation that will truly purify, revitalize and  
renew the blood, restores hope and pleasure, ambition and  
happiness, vigor and vitality. It is of inestimable value not only  
as a strengthener of the system, fortifying it against invasion  
of disease, but also as a cure for Chronic Diseases which de-  
pend upon an impoverished condition of the blood. Diseases of  
this nature are usually caused by impurities in the blood de-  
posited through the inactivity of the Liver and Kidneys.

These secretions if not removed from the circulation, gradu-  
ally form poisons which deteriorate the condition of the blood  
and allow other diseases to obtain a more ready entrance to  
the system. In the effort of nature to throw off these impurities,  
frequently pimples, boils, carbuncles, etc., appear, and it is  
wise to respond promptly to the Warning of Nature.

**THIS SARSAPARILLA**  
is a genuine preparation scientifically prepared from the best  
and purest remedies for the purifying and rebuilding of the  
blood. It should be taken every spring, as at this season the  
blood is more apt to become impure and impoverished. Keep  
your blood in perfect condition and you will be prepared to  
fight life's battles with greater success.

One Bottle of this Blood Purifier is all that  
you will need to take to produce results.
