BRANFAXT.—Epps's Cocoa.—CHATELAIN AND COMPANYING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. —Civil Service Gazette. Made simply with boiling water or milk. Each packet is labelled — "James Epps & Co.", Homeopathic Chemists, London." j36-9m

TELEGRAPH reports from Formosa announce a complete settlement of the war. The terms are satisfactory to the Japanese, who will retire and receive full money indemnity from the Chinese, with a guarantee of good behaviour of the Bontan tribes of savages on the Island of Formosa.

SALT RHEUM.—This disease can be cured in its worst form. Read this from David Simpson, 89 Prince street, Boston:—Dear Sir,—This is to certify that my daughter, (Sarah Simpson) has been troubled with Scrofula and Salt Rheum Humor for several years mostly confined to her head. The past four years has been so bad that she has been almost blind, some of the time not being able to read. She has been under the care of physicians in New York and Boston, and finding no relief, she took two bottles of Fowles Pile and Humor Cure, which wholly cured her.

The steamer Tuscara, while sounding between Japan and Oregon, found the soundings in the Japanese Gulf to be five miles and a quarter, the deepest sounding known.

THE CREDIT SYSTEM IN PRINCE EDWARD ISLAND.—The credit system as worked in Prince Edward Island takes on a peculiar phase that presents a striking contrast with the practice in Ontario. In the large retail flour trade with the farmers of the Island, sales are made chiefly on credit, but instead of "booking it" the farmer gives his note; and if he is at all doubtful he is required to get it endorsed by a neighbor. It is a common thing to find a flour dealer with a pile of promissory notes, endorsed and unendorsed, for sums ranging from \$4 to \$10. These are always paid, and no difficulty ever occurs about proving an account. Imagine the horror of an Ontario farmer if he were asked to give an endorsed note for a debt of \$5!
