His groins were bleeding when I started and other parts affected were the lower part of his body, under the knees, arms, in arm joints, syebrows and neck; but after twice using Citicura Ointment I began to see a difference and by the time I had used one tin, along with the bathing with Cuticura Soap, baby was nearly cured. I still kept on using the Cuticura Soap and Ointment, and now, thank goodness, he is quite well and, although he is now ten months old, has not had any furfher return of the trouble." State's Attorney Will Ask for Women Jurors Were Women Are On Trial

The Sight of a Tear-Stained Face and White Lips Unnerves Men

Chicago, Aug. 26 .- State's Attorney John E. W. Wayman wants women jurors to try women, who, in the future, take human lives in Cook County.

That radical desire was expressed by the state prosecutor today, as he waited in his office for word as to the decision of a jury of men, sitting in judgment on Florence Bernstein, charged with the slaying of her husband.

The view aroused all Chicago and ought emphatic discussion from lead. ng suffragists and even from Charles brbstein, the lawyer for Mrs. Bern-
