Dear Sirs.—For several years my sister suffered from liver complaint. As doctors gave her no help we tried B. B. B. which cured her completely. I can recommend it to all.

Lumber Cutting Machine OF THE FUTURE.

10 Band Mills sold in Canada in 1891 where one was sold in 1890. We predict an equal increase in 1862. Our present orders indicate it, so place your orders early.

The Circular Saw 22 years ago was as much a novelty and as difficult to run as the Band Saw is to-day. With the experience gained in handling the Circular, knowledge of the Band Saw is much more readily acquired. Special improved tools also facilitate the work. We furnish an expert with each mill to Instruct in the use of tools and work on saw.

The adjoining cut illustrates our NO. 1 BAND SAW MILT.

NO. 1 BAND SAW MILL, capacity 10,000 to 20,000 feet in 10 hours. Our No. 2 mill is much heavier-capacity 20,000 to 40,-CCO feet per day.
