BASEBALL

THE GAME WAS LOST. The local ball tossers were taken into camp by the Saginaws on Saturday in a game that was replete with heavy ick work, lots of kicking and a liberal supply of errors. Several lively mix-ups occurred, and at times it looked as if the game would end up in a general row. The visitors had their batting-clothes on, and landed heavily on Kostal, the local slab artist. Wayne, who was in the box for the Sags, was also hit freely, but the hits were well scattered. The visitors started to get the game well in hand when veteran Peter Lohman tried to steal home from third base. At the same moment, Moh-ler struck out, retiring the side. This Pete somewhat wrathy, and he started in to scold, his countenance bearing anything but an angelic look. Pete had surely lost his head. In the fourth inning he found himself again at bat, with two runners on the bases. A strike was called on him, and then Pitcher Wayne stooped to tie his shoe. Lohman stepped out of the box, and as he did so Wayne delivered the ball. Umpire McKeever called a strike, and Pete, who was not in the box at time, started in to expostulate in rather a wild manner. He ran out to where McKeever was standing, and repeatedly raised his bat as if to strike the plucky little umpire over the head, but the latter never flinched. The enraged Lohman then grabbed McKeever the arm and shook him, and was immediately put out of the game for his trouble, which was the only course left open to the umpire. This kind of thing could be cut out of the game. It came as a great surprise to the fans to see this display of temper on the part of the captain, as he is usually the coolest man on the grounds. Pitcher Wayne acted like a schoolboy, taking about three minutes to get ready to shoot it This was in a large measure responsible for the mood Pete was in, as he had to repeatedly stand fully a minute before Wayne would pitch the ball. Cope immediately followed with a "brilliant" play, running into the ball in trying to steal second. The visitors took the lead in the sixth and kept it. The score:

The atendance is picking up. The Saginaws play the game up to

the handle until the last ball is pitch-Busse. Tibald and Martin, three members of the old St. Thomas team, did a lion's share of the work. Little Manager Eddy has a strong team together.

Wayne, with his countless motions, was very amusing at first, but became decidedly tiresome. Schantzke is the best in the busi-

ness as a coacher. Cooper's hand is still sore from the blow he received on Thursday.

SHUT OUT AT HAMILTON. Hamilton, Ont., June 16.-Freeland sitched a superb game against Chat-ham today and got perfect support. The only error was one he made himelf, and as Chatham only got four hits they had not a chance to score except once. Two of the hits and the error were made in the seventh, filling the bases, but a strike-out, a short fly to right, and a splendid catch by McKevett retired the side. A hit, a base on balls and a three-bagger by

second, and two hits and an error by Conklin added one in the eighth.

KNOX VS. ROCKETS.

The Rocket baseball club met with defeat at the hands of the Knox team on the grounds of the St. John's Athletic Club on Saturday afternoon. Although errors were somewhat numerous, interest in the game was well sustained, the score being a series of ties, up to the eighth inning. In that inning and the ninth, Knox, who had been hitting Phillips freely all through the game, touched up his curves for two singles, two two-baggers and a triple, thereby obtaining a safe lead, which the Rockets were unable to overcome. Fisher and Summers, who did the twirling for Knox, were very effective, and the Rockets secured only four safe hits during the game. Hosie, of the Rockets, played a star game, as will be seen by the score. Mr. Jas. Bell umpired most satisfactorily. Score:

AGONIZING STOMACH PAINS!

Messrs. RADWAY & CO.:

Dear Sirs,-I know a business man on the east side of town who has for years been alling and suffering agonizing pains in the stomach. The doctors from Prof. Jacoby down to others by the dozens, could neither effect a cure nor could they even tell what the malady was. He, a few years ago, crossed the Atlantic to consult German doctors, without result. I used to call at his store every few months and heard his tale of woe. He said while ill he was never able to retain his food, and at certain times of day he was attacked with an agonizing pain which lasted an hour or so, when he acted as a madman, breaking chairs, etc., and having to give up business for the time being. Food never stayed in his stomach longer than half an hour. Yesterday, after a lapse of eighteen months, I called again, and to my surprise he was still alive and looking well. I asked after his health. He said he has been well for over a year and has gained 40 pounds in weight. I wanted to know what doctor had cured him. This is what he told me: About a year ago or over a man came to his store telling him he had been sick very much the same as he was for some time, and tried Radway's Pills, which quickly oured him. He at once decided to use the pills. The druggist did not have any, and tried to give him another kind, but as he insisted on Radway's, they were procured for him the next day. He only took one at night and he immediately felt better. He kept up for a time to take the pills, and from the first day to this day his malady never returned.
