Commons.

Ottawa, March 21.-Divorce and free railway transportation were the sub- division, and passed. jects under discussion when the senate In the Commons, Mr. Fisher's bill resumed its sitting today.

The latter topic arose upon consideration of a bill to amend the railway and containing 2,200 cubic inches, was act. The act compels all railway read a third time and passed. The imcompanies to carry senators and mem- perlal bushel contains 2,218 cubic bers of Parliament free, and in com- to the bill on the ground that the pliance with the law, the railways boxes would be used as bushel measissue free annual passes to the legis- ures. lators. The measure provides that sen- of supply, and the estimates of the ators and members be provided with a marine department were taken up. Mr. certificate by the clerk of the Senate Prefontaine repeated at length his or Commons and such certificate shall entitle the lawful bearer thereof to free transportation, thus doing away with the necessity of the senator or member carrying around a pocketful of passes. The bill was discussed some time in committee, but without re-

sult, so that it stands over for further consideration Senator Cloran attacked the divorce committee in connection with the Murphy divorce bill, a Montreal case, and he was warmly replied to by Senators Lougheed, Kerr (Cobourg), and Wil-The latter said the insinuation made by Mr. Cloran, that the divorce committee was composed of men who did not understand or who neglected their duties required an answer. Was Mr. Cloran superior to the judge on the bench? Was he retained to accuse

#### Gained Flesh at Once

Bu-Ju Has Done for Her.

Mrs. D. J. Sullivan being greatly immediate relief by using "Bu-Ju" Pills. She writes as follows:

St. Catharines, Jan. 23, 1904. Classin Chemical Company, Windsor,

Gentlemen,-I am glad to be able to say that I have received a great benefit from taking your "Bu-Ju" Pills. I had been troubled with headaches for nearly two months, but after taking three boxes I had gained flesh and felt much improved in every way. I have recommended them to several of my friends, and they all seem to have derived great help from them.

Yours truly,

MRS. D. J. SULLIVAN.

ful remedy for all diseases and maladies arising from disordered kidneys, dominating these properties. and there are hundreds of different diseases and conditions that are the direct result of kidney trouble. It concerned the only securities which

Bu-Ju Kidney Pills are the infallible remedy for these troubles, and may be had at all drug stores. Ask for them and insist upon getting them. Take no substitute.

Take no substitute a large measure to the speculative cannot wish to remain sick and weak all wishing the "Deacon" many happy when you can be as easily cured as other women.

Take no substitute.

DEATH OF A PIONEER

Late Mr. James Scott Spent Entire Life in London Township.

There passed away recently at his ate residence, Maple Grove, concession 15. London Township, Mr. James Scott, aged 82 years. Death followed a month's illness from paralysis. Mr. Scott had lived all his life on conces sion 15, London Township, and had always enjoyed good health until his last illness. His well-known figure will be missed by friends and neighbors and his wife and family will have the sympathy of a host of friends in their pereavement. Fifty-seven years ago Scott married Miss Sarah Culbert, of McGillivray, who survives him, together with seven sons and two daugh. ers. The sons are Frank, on the old homestead; T. W. Scott, manager of the Bank of Hamilton, Blyth; Dr. J. L. Scott and Mr. Will Scott, of this city; Arthur, teacher, of London Township; George Wesley, of Maple Grove, and Albert E., of Detroit, Mich. The daughters are Mrs. N. Ryan, of Elginfield, and Mrs. A. A. Garrett, Granton. Mr. Scott is survived by one sister. Mrs. W. Walters. of Glendale. Westminster, aged 87 years.

The remains of Mr. Scott were laid rest at Woodland Cemetery. Notithstanding the early hour of the ervices, a long concourse of people paid their last tribute of respect to one bey had esteemed through life. The the Rev. Walter Collins, of Birr, and ceased's six sons were pallbearers, at the grave by the Rev. Mr. McGowhe funeral service was conducted by an, of London.

#### tou know the action of fruit

Apples, on the kidneys-oranges, stomach and appetite-prunes and figs for the bowels. Butfresh fruit won't CURE these organs when diseased: they can only HELP to keep them well.

or Fruit Liver Tablets

can—and DO—cure. They are fruit juices -but changed chemically and medicinally, by our secret process. So remarkable is this convertion, that "Fruit-a-fives" cure all Stomach, Liver, Kidney and Skin Diseases, where the fresh fruit would have no effect on the trouble. 50c. a box. At all druggists.

#### THE EARLY MILITIA OF CANADA AND THE CANADIAN BOUNDARIES

Historical Society.

The monthly meting of the London and Middlesex Historical Society, held

The monthly meting of the London of the western Yankees to fight. The war with Mexico had, however, intervened. Finally, in 1877, there was a disposition on the particular war with Mexico had, however, intervened. Finally, in 1877, there was a disposition of the war with Mexico had, however, intervened. last evening in the public library, was pute over the ownership of an islan south of Vancouver Island. The Empero of more than usual interest. Mr. Mcof Germany awarded it to the States
Viewing as a whole the history of the school, delivered a paper on the subject of Canada's boundaries, from the historical standpoint. Principal Mc-Queen, of Askin street school, read a paper on "The Early Militia of Canada," the only trouble with it being that it was brief. Both papers were listened to with the closest of attenlistened to with the closest of atten-

six of the finest of the states—Illinois, Michigan, etc. But the republic claimed and obtained this territory by right of conquest Mr. McVicar went on to speak on various successive boundary disputes and their results. The most important of these was when the State of Maine gained 7,000 square miles of land claimed by New Brunswick. Lord Ashburton, the Englishman who had been sent to treat with the States concerning the matter in 1842, had made the city of Washington 1844, had made the city of Washington 1844, had made the city of Washington 1845, had made the city of Washington 1844, had made the city of Washington 1844, had made the city of Washington 1845, had made the city of Washington 1846, had made t senate interfered with divine law when providing that apples for export shall be packed only in standard boxes of the dimension of 10 by 11 by 20 inches. with friendly feelings towards England; but he had allowed the Canadian boundinches, and there was some objection ary to recede much further than it should have. It was not the loss of this New Brunswick territory that had harmed Canada, but the fact that Maine now ex-

The House then went juto committee tends into Canada in a wedge shape. The speaker pointed out, however, that Canada has a corresponding advantage in the fact that Ontario projects into the States. This Province had greatly benefited by the traffic which passes through it from plans for the improvement of aids to the western to the eastern states. Passing to the western boundary, Mr. Mc-Vicar pointed out that before 1818 there The sum of \$100,000 was voted to equip six new Marconi stations in addition to the half-dozen now estab- had been many who believed that the southern boundary of the Northwest Ter-ritories was the Missouri River. This was what might be called the "natural" lished on the coast. The minister explained that six of the Allan Line steamships are now equipped with the

#### A BIRTHDAY GATHERING

Friends Spend Pleasant Evening With Former Londoners at Ottawa.

Through the courtesy of Mr. and Mrs. W. H. Henderson (formerly of London), a few of their friends Ottawa had the pleasure of dining with them and their estimable family on Saturday evening last, at their residence, 146 James street. The principal object of the gathering on this occasion was to celebrate the birthday anniversary of Mr. Henderson, who is so popularly known on the road as the "Deacon." Among the friends present were Mr. and Mrs. A. J. Hendry, Mr. and Mrs. John G. Buchanan and son "Jack," Mr. and Mrs. C. F. Colwell. and Mr. Jack Ferguson, who all con-tributed in making the evening pass very enjoyably and satisfactorily. One the many pleasant and humorous that one minute she laughs, the next features of the celebration was the minute weeps. Pain in the ovaries and reading of an illuminated address by between the shoulders. Loss of voice; Mr. Buchanan, and the presentation of nervous dyspepsia. A tendency to cry a handsome pipe by Mrs. Hendry, to at the least provocation. All this points Mr. Henderson, who responded in his characteristically felicitous and fluent style. But in all his entertaining re-Nothing will relieve this distressing marks the "Deacon" failed to confess just how many years he had been pertration and suffering so surely as Lydia mitted to live; so those present could only guess from his youthful appear-Miss Lelah Stowell, of 177 Welling- ance, and the unanimous conclusion reached was that the figure could not possibly be less than 23. To the "Deacon's" numerous friends throughout fering women, and I only wish that they all knew what it can do for them and there his correct age. But either fear of a his correct age. But either fear of a knew what it can do for them and there would be no need of their dragging out miserable lives in agony. I suffered for years with bearing-down pains, extreme nervousness and excruciating headaches, but a few bottles of your Vegetable Compound made life look new and promising to me. I am light and happy and I do not know what sickness is, and I have enjoyed the best of health now for over four years. Lydia E. Pinkham's Vegetable Compound has sent sunshine into thousands of homes and hearts."

Will not the relevance of latters from cluded with music, singing, stories, re-Will not the volumes of letters from freshments, and the interchange of women made strong by Lydia E. Pink-ham's Vegetable Compound convince all women of its virtues? Surely you cannot wish to remain sick and weak to attend church on Sunday morning;

THE WEATHER TODAY -Fine and mild

# MILLINERY BEAUTY.

Special and Attractive Display of the Newest Linen Novelties at the Linen Department During Opening Week.

Today commences the event of the season in Millinery, and opens our display of Exquisitely Trim-

med Hats for Spring and Summer wear. Novelty and good taste, beauty and eleg ce will make this showing far better than any of our great Millinery successes of former seasons. We want this to be an invitation to every lady of refined taste to view the Millinery goodness and splendor that we have taken such special pains to provide as a means of educations and delight to all who care to take advantage of it. It is only in this way that you can keep posted on what the society leaders of the fashion centers of the world are wearing. We will show many artistic creations from Paris, London and New York, as well as a great array of original patterns made in our own workrooms by our own skillful, ingenious artists. Best of all, you will find our prices much lower than you would expect for such becoming and beautiful specimens of the Milliner's handiwork. Those who have not been in the habit of buying their Millinery here are especially invited.

### Latest Novelty Silk and Leather Belts.

In Notion Department visitors are requested to view our showing of Ladies' Silk and Leather Belts, which will be very popular this season. These are the latest New York styles.

We show Ladies' Silk Belts, in many new style, at each from 25c to \$2.25 Ladies' Pleated Soft Leather Belts, in all the leading colors, with black, white, gilt, nickel and 

A full range of Straight and Drop Front Buster Belts, for boys and girls, in black, white and 

#### Gloves, Jackets, Waists, Suits, Dress Goods.

This is opening week all over the store. Special showing in all departments.
