FLASHLIGHTS OF KINRADE HOME

Detectives Take Many Photo. graphs at Scene of the Murder.

[Special to The Advertiser.] Hamilton, Ont., March 6. - Accompanied by a photographer, Detective Bleakley and Detective Coulter again visited the Kinrade home this morning. The photographer took flashlight photographs of the interior of the house and views of the backyard and lawn from the windows, while the officers again surveyed the backyard and measured the distances from various points. These actions have given rise to a rumor that the detectives are now working on the theory that the murderer mounted the back-fence and escaped by a lane at the back to Bay street, and thence to the mountain.

Toronto, March 6. - The fact that the Ontario Government is offering a \$500 reward for information that will lead to the arrest and conviction of the murderer of Ethel Kinrade, of Hamilton, was duly announced in the Ontario Gazette today.
