HE IS STILL IN THE TUILS

S

1756,

his crime demands. Never before in the history of Toronto's criminal annals has there been such outspoken indignation expressed at a verdict, as there has been in the man should suffer the syrrems penalty of the law, and where it was found that legal technicalities harred the way, it was expected that the would get the next highest punishment the law provided for so being as a first present, assizes gave notice in court that he would apply to-day to have the case reopened. He did this with a view of bringing before the court the prisoners of bringing before the court the prisoners of bringing before the court the prisoners.

would not the nurse issues were discussed would not the nurse issues were present would not the nurse issues were to design the present, assites gave notice in court that he would apply to-day to have the case reopened. He did this with a view of bringing before the court the prisonter of the present is set to design the present is set of the next to the prisonter is the seek of the next of hellowing is the seek of the next of the seek of the next of the seek of the next of the seek of the seek

in the peutientiary, have a greatideal of any swer for. The bruts Backley struck Bertha Robinson, or Ussher, who was living with him as his wife, with his fat, he kicked ber about the head at the lay on the floor, he hammered her with a chair, and from the result of those injuries site died in a key muttes. True, she cholo presented for Lieway, their retiring was a wicked woman, and addicted to drink, but in no respectives she worse than her murdered. If the world is no loser by her death, surely the world would be a gamer by getting rid of Buckley. He is 21 years old, and he goes to the penitentiary for 5 years. At the age of 31 he will come forth, free we had almost written icensed—to kiek and kill other women. The judge has told him that killing is no murder unless the kicking and pounding are begun with the design of taking life. The some two months ago the Police Commissions in murder unless the kicking and pounding are begun with the design of taking life. The some two months ago the Police Commissions in the mining should pay well.

The teachers and pupils of the Duffering bring has been reduced from the tirry bands that he life of world have been reduced from the third-class for some trift.

The teachers and pupils of the Duffering bring has been reduced from the tirry bands and children and has been reduced from the third-class for some trift.

The teachers and pupils of the Duffering bring has been reduced from the tirry bands and children and children and have them investigation. Thursday last with a library bands with the light has been reduced from the filter pupils of the Gilbert Shakes and being has been strucked and bound in morocco.

The full gradies and children as in Montreal and has in Montreal and the mining should pay well.

The teachers and pupils of the Duffering bring has been existent and the later than the world would be a game by having the stacked a bandsome traded by the Gold Medalist Dyers and Cloaks, Ribba

granted for the labor test. This \$10,000 was to be expended in the erection of additionable buildings for the care of the casual poor, on a basis which would provide against imposition. After hearing Rev. Mr. Baidwis explain the ground on which the grant was resolved that the request be recommended to Council. After Dodds alone dissenting.

How to the the casual poor, on motion of Ald. Carlyle it was resolved that the request be recommended to Council. After Dodds alone dissenting.

season, received KSON.

162 of the Revised Statutes of Canada, which reads as follows:

"Every one who is convicted of manalanghter is hable to imprisonment for life
or to pay such fine as the court awards in
addition to or without any such imprisonment."

Not Caty Inadequate But Dangerous.

Editor World: I do think, without exception, that the sentence on Buckley is not only
inadequate but dangerous. Dangerous in this
sense; he will be released should be behave
himself in three years and nine months on a

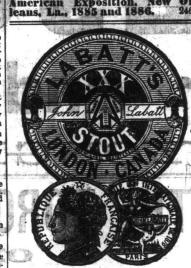

THE HOUSE OF INDUSTRY.

Tem Thousand Dollars Recommended by the Executive Committee held yesterday afternoon to confer with a deputation of the members of the Board of the House of Industry on the tramp question. Of the committee there were present Charman McMillan, His Woship the Mayor, and Ald, Galbraith, Giblevie, Dodds, Carlyle (St. Thomas), and Johnston and the Board was represented by the Rev. A. H. Baldwin, key John Gillspite, Principal McMurchy of the Collegiate Institute, Mr. George Goulding, and Architect Hall. The Board asked an appropriation of \$10,000 in addition to the 2000 already granted for the care of the casual pour, on a basis which would provide against imposition. THE HOUSE OF INDUSTRY, been reduced from the third-class for some tri
