

"IN THE PUBLIC EYE"
By Carl A. Class

A MAN IS AS OLD AS HIS EYESIGHT

If glasses are ground to fill the proper prescriptions your eyes will enjoy the vision of days gone by. In enjoyment of the passing throng, of nature's changing picture and in the pursuit of passing events, a man is as young as his eyes. We are worthy of your patronage and confidence. We are experienced in the art of optometry.

BROKEN IN HEALTH

After an Attack of Influenza Health Now Restored.

"I am writing to tell you what Dr. Williams' Pink Pills have done for me," says Mrs. J. H. Oulton, Firdale Man. "A few years ago I was in a bad run down condition, so much so that I was subject to fainting spells which would leave me in such a condition that I could hardly go about. Then I was stricken with influenza, which was epidemic at that time, and this still further weakened me and throughout the whole winter I remained in this condition. I was constantly taking doctor's medicine, but as it did not seem to help me, my mother advised me to try Dr. Williams' Pink Pills, and I got a couple of boxes to start on. When these were done I seemed to feel an improvement and I got a further supply to continue the treatment. I took in all about a dozen boxes, and by that time I was in the best of health and had gained in weight. My faith in Dr. Williams' Pink Pills is now unbounded, and I keep a supply on hand and take them occasionally if I am not feeling quite well. I often recommend them to others, and cannot praise them enough for restoring my health. Dr. Williams' Pink Pills are useful in all cases where the blood is thin and watery as their mission is to build up and purify the blood. That is why they give new strength and vigor after an attack of influenza, and it is also the reason why they are beneficial in nervous disorders, neuralgia, rheumatism and that condition generally described as all run down."

You can get the pills from your druggist, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

YOUNG DAUGHTER MADE WELL

Mother Tells How Her Daughter Suffered and Was Made Well by Lydia E. Pinkham's Vegetable Compound

Vancouver, B.C.—"My daughter is a young girl who has been having severe pains and weak and dizzy feelings for some time and had lost her appetite. Through an older daughter who had heard of a woman who was taking it for the same trouble, we were told of Lydia E. Pinkham's Vegetable Compound. My daughter has been taking it for several months and is quite all right now. It has done all it was represented to do and we have told a number of friends about it. I am never without a bottle of it in the house, for I myself take it for that weak, tired, worn-out feeling which sometimes comes to us all. I find it is building me up and I strongly recommend it to women who are suffering as I and my daughter have."—Mrs. J. McDONALD, 2947 26th Ave. East, Vancouver, B.C.

From the age of twelve a girl needs all the care a thoughtful mother can give. Many a woman has suffered years of pain and misery—the victim of thoughtlessness or ignorance of the mother who should have guided her during this time. If she complains of headaches, pains in the back and lower limbs, or if you notice a lowness of thought, nervousness or irritability on the part of your daughter, make life easier for her. Lydia E. Pinkham's Vegetable Compound is especially adapted for such conditions.
