liberal justice to all my fellow men. To  
those who are willing to give me support, to  
them I will feel grateful, and will endeavour  
by proper conduct to win a returning grati-

I may be placed in. Again I say, look well  
to the qualifications of the Candidates, and  
be not carried away with the reports of selfish  
and interested canvassers; in these eventful  
times it becomes us to pause, and what we  
do, to do it with caution, and judgement, for  
much we shall discover will depend on the  
next House of Assembly.

## MORGAN CLIPSE.

The Charlotte County Agricultural So-  
ciety, has imported from Vermont, in the  
United States, a pure bred  
**MORGAN STUD HORSE.**  
of the Burbank or Woodbury Morgan Stock,  
for the improvement of the breed of Horses  
in Charlotte County, the superior qualities  
of the Morgan race of Horses are well  
known and fully appreciated, and from the  
great care taken in the selection of this  
Horse, he can be confidently recommended  
for those excellent peculiarities inherent in  
the race,—docility of temper, great endur-  
ance, and a noble and generous spirit.  
His grand sire was the wonderful Burbank  
or Walker or Woodbury Morgan horse.—  
His great grand sire, the king of all sires,  
was the first Morgan horse ever known.—  
His dam, the Lady Clivon, was purchased  
on Long Island, in 1843, by J. Johnson, at  
great expense, for the sole purpose of breed-  
ing, and brought to this County. His sire  
was that astounding bottomed horse, the  
American Eclipse, which challenged the  
world in 1823, on

on the Union Course, Long Island; then  
and there beating Sir Henry and all other  
powerful stallions. The dam of Morgan  
Casper was sired by the unrivaled, imported  
and original English horse, Quicksilver,  
whose superior has never been brought from  
England. He was formerly owned by Gen.  
Beilows, of Walslop, N. H. The grand  
dam of Morgan Casper was sired by that  
noted, imported and true-bred English  
horse, Old Traveller.

The Horse will stand this Season, at the  
following places for the services of Mares,  
viz:  
At William Simpson's Wave, on Mon-

To the Independent Electors of Charlotte  
GENTLEMEN,

The Subscriber begs to  
inform the Freeholders of the County, that  
he offers himself as a Candidate at the ap-  
proaching Election, and solicits their sup-  
ports in his favour. At the hustings he  
will give his views as to the policy he would  
support should he be so fortunate as to be-  
come the object of their choice. In the  
meantime, he will state for their informa-  
tion, that he is distinctly opposed to the  
surrender of the Initiation of Money Grants  
to the Executive and will go for Protection  
and a Bounty on Fish.

Perhaps it would not be amiss to state as  
briefly as possible his views respecting the  
state of the Province. I am fully impressed  
with the belief that, to continue our pres-  
ent state of trade, the duties on imports  
should be reduced so as to encourage the  
productive labour within the Province, by  
employing their labour instead of foreign  
ers, while at the same time, a proper allow-  
ance should be made for such articles as  
the country could neither produce nor man-  
ufacture. I will also devote my energies  
to encourage Railroads and other public  
works, which will be the means of opening  
our fine Province. I hope, Gentlemen, at  
all events you will go to the Polls free and  
unbiased, and elect honest, independent,  
and talented men as your Representatives;  
you have Candidates enough to choose from.  
I am, Gentlemen,  
Your obedient servant,  
JOHN CARSON.  
May 17th, 1854.

ety, quality and CHEAPNESS, cannot be sur-  
passed by that of any house in the Province. It  
would be impossible in the limits of an advertise-  
ment, to particularise, but on inspection it will  
be found to contain everything that is supplied by  
the most extensive houses in the first cities in B.  
N. America, from the minutest article in Haberdashery  
to those of the more costly character in  
DRESSES, SILKS, SHAWLS,
