## THE SYNOD'S FOREIGN MISSION.

At a late meeting of the Synod's Foreign Mission Committee, the Convener was instructed to inform, by notice in the *Record*, the Ministers of the Church, that the Committee would be ready to receive intimations from any of them of his willingness to entertain a call to proceed as Missionary to Vancouver's Island or British Columbia, should the Church think proper to give such a call.

It is requested that correspondence on this subject shall be in the hands of the Convener on or before the 1st of October next.

*THOMAS LOWRY, Convener.*

Whitby, August 20, 1859.

## THE RECORD.

The Committee for the management of the *Record* are about to issue a circular to Ministers, and to those who act as agents, with the view of obtaining an increased number of subscribers at the commencement of a new volume, and with the view also of means being adopted for collecting the outstanding arrears. These arrears have, in some cases, been accumulating for a number of years. Not a few have been receiving the *Record* for many years without remitting. It is evident that this cannot go on. The truth is, inconvenience is felt even at the present time in consequence of delay in the coming in of receipts. Let each one who receives the *Record*, ask whether he has yet paid for it, and if not, let him remit at once.

The price for next volume will be half a dollar, if paid strictly in advance, if not paid before the end of the second month from the commencement of the volume, the price will be, by direction of Synod, 3s. 1 $\frac{1}{2}$ d. currency.

## TO ADVERTISERS.

The *Record*, having a circulation of nearly 5,000, extending over the whole extent of the Province, and among an intelligent class of readers, may be regarded as one of the best channels for advertising.

Advertisements will be inserted on most reasonable terms.

## To Merchants.
